Taking its cue from contemporary western debates on presence in the social sciences and the humanities this volume focuses on presence both as everyday experience and as an experience of intense moments It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode articulate and shape discourses of presence The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge Especially tacit knowledge pre-determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification *Eternal Life* Kara Leigh Miller, 2021-02-09 Their time is up War is coming Lives will be shattered A violent attack during their honeymoon left Chloe fighting for life and Trent missing Now Chloe returns home alone and devastated and clinging to the hope that Trent is alive and will come back to her but as days stretch into
