He refuses to consider humans as anything more than a piece of meat; they are worth nothing to him, not even a minute of his time. However, after their two worlds collide, Athan will want to do anything to earn Ruby's trust. Can Ruby break all the walls Athan has built in his long life? Will Athan's past catch up with him? No matter how fast you can never run away from your own past, but does that mean you can't attempt to heal?
