Becoming Kavita Mudan Finn,EJ Nielsen,2019-08-06 The NBC series Hannibal has garnered both critical and fan acclaim for its cinematic qualities its complex characters and its innovative reworking of Thomas Harris's mythology so well known from Jonathan Demme's Silence of the Lambs 1991 and its variants The series concluded late in 2015 after three seasons despite widespread fan support for its continuation While there is a healthy body of scholarship on Harris's novels and Demme's film adaptation little critical attention has been paid to this newest iteration of the character and narrative Hannibal builds on the serial killer narratives of popular procedurals while taking them in a drastically different direction Like critically acclaimed series such as Breaking Bad and The Sopranos it makes its viewers complicit in the actions of a deeply problematic individual and in the case of Hannibal forces them to confront that complicity through the character of Will Graham The essays in Becoming explore these questions of authorship and audience response as well as the show's themes of horror gore cannibalism queerness and transformation Contributors also address Hannibal's distinctive visual auditory and narrative style Concluding with a compelling interview with series writer Nick Antosca this volume will both entertain and educate scholars and fans of Hannibal and its many iterations

They can be poignant, erotic, resolute or angry but always reflect the affirming power of coming together to build a strong black gay community. Editor Joseph Beam began collecting this material in 1984 after years of frustration with gay literature that had no message for and little mention of black gay men. The bottom line he wrote is this: We are Black men who are proudly gay. What we offer is our lives, our love, our visions. We are coming home with our heads held up high. **BOOK JACKET** **Abstracts of Theses for Higher Degrees** University of Arizona, 1937 Vol. for 1933 includes List of all theses for higher degrees as catalogued in the University Library.
