A sword with a dark hilt and a long, straight blade, resting on a dark, textured surface. The sword is positioned diagonally across the frame, with the hilt at the bottom left and the tip pointing towards the top right. The blade is a light, metallic color, contrasting with the dark background. The hilt features a crossguard with a central pommel and a dark, possibly leather or wood, grip. The background is a dark, mottled brown with some lighter, reddish-brown patches, suggesting a rocky or metallic surface.

## **Lords Of Perdition:**

*Lords of Perdition* Warren K. Fast, 2002 The author has created a fast paced thriller by combining Biblical prophecies with modern technology Suspenseful and compelling Today all around us an ancient war rages on Eyes have not seen it None have heard it Mankind has not experienced it Until now Something has awakened on the other side of existence Darkness seeps into our world and upon the streets of our cities as an unseen force gathers without detection Meanwhile a sacred order established a thousand years past prepares for a final assault But it will take more than the thinning ranks of the order s elite warriors to hold back the power that is about to be unleashed In this secret realm of brutal warfare and spiritual struggle within a circle that exists just beneath the surface of mundane civilization one man and one woman will become humanity s last defense against the most primordial embodiment of ultimate evil      **Thoughts on st.
