**The Dragons of Deepwood Fen** Bradley P. Beaulieu, 2023-12-05 This 1st book in a new fantasy series from the author of the acclaimed *Song of the Shattered Sands* series follows an unlikely pair as they expose the secrets at the heart of the mountain city of Ancris. Lorelei Aurelius is the smartest inquisitor in the mountain city of Ancris. When a mysterious tip leads her to a clandestine meeting between the Church and the hated Red Knives, she uncovers a plot that threatens not only her home but the empire itself. Knowing his incarceration could lead to the Red Knives achieving their goals, Lorelei makes a fateful decision: she frees him. Now branded as traitors, the two flee the city on dragonback. In the massive forest known as the Holt, they discover something terrible: The Red Knives are planning to awaken a powerful demigod in the holiest shrine in Ancris, and for some reason, the Church is willing to allow it. It forces their return to Ancris, where the unlikely allies must rally the very people who've vowed to capture them before it's too late. *A Little of Your Time*, **The University** Kenyon B. De Greene, 2008-04-26 The twenty-first century is lurching chaotically into a perilous and uncertain future. Once vibrant and creative, the University, now large, anachronistic, and bureaucratic, has all but exhausted its capabilities to respond to challenges and threats from within and without. Years of hypocrisy and power politics have taken their toll on the would-be second Caltech. Now everything is going wrong. A cynical attempt to fire a popular young teacher, Alistair Higham, explodes as students, parents, alumni, and the professors' professional

organization come to the aid of the teacher Investigation by the professional organization brings other injustices to light It seems likely that the University will be censored and will lose its accreditation The neighborhood around the University rises in protest over the latter's ham-handed attempt to have a block of lower middle class houses razed to make room for a parking lot Tight connections with industry make the University a partner in dumping toxic wastes in poor Mexican American neighborhoods and in mining in mountain wildernesses Eventually a crafty liaison with the oil industry comes to a head as the University is revealed to be an indirect participant in genocide in Quetzalgalpa a remote and war-ravaged Central American country
