Losing People:

The Painful Side of Leadership Jeff Iorg, 2009 Christian leadership is often likened to the peaceful image of a shepherd leading his sheep. But the truth is that sheep tend to wander toward trouble and shepherds don't always handle the challenges of their job with grace and ease. *The Painful Side of Leadership* encourages and equips Christian leaders with biblical insights to better manage painful ministry circumstances, relationships, and choices. Author and seminary president Jeff Iorg writes candidly throughout to those who may feel beaten up by their mistakes, their critics, or having to make unpopular decisions. His insights are framed with chapters about why painful things happen to Christian leaders in the first place and the hope that God always provides when a leader is hurting.

Slow and Sudden Violence Derek

Hyra, 2024-08-06 In *Slow and Sudden Violence*, Derek Hyra weaves together a persuasive unrest narrative linking police aggression to an ongoing cycle of racial and spatial urban redevelopment repression. By delving into the real estate history of the St. Louis region and Baltimore, Hyra shows how rounds of urban renewal decisions to segregate, divest, displace, and gentrify Black communities advance neighborhood inequality. Despite moments of racial political representation, repeated decisions to upgrade the urban fabric and uproot low-income Black populations result in Black poverty pockets inhabited by people experiencing chronic displacement trauma and unrelenting police surveillance. These interconnected sets of accumulated frustrations powerfully culminate and surface when tragic and unjust police killings occur. To confront the core components of U.S. unrest, Hyra suggests we must end racialized policing, stop Black community destruction, and displacement, and reduce neighborhood inequality.
