Losing Time:

Losing Time Otis Graham, 1994-01-04 Industrial policy reform Otis Graham argues is an important part of a public private set of remedies but it hinges upon an improved use of policy history and of historical perspective generally He proposes an explicit if minimalist approach by the federal government that would unify and reform our de facto industrial policies in order to equip the United States with the institutional capacity to formulate industrial interventions guided by strategic vision and bipartisan participation by labor and management

Marcel Proust's Search for Lost Time Patrick Alexander, 2009-09-22 An accessible irreverent guide to one of the most admired and entertaining novels of the past century Remembrance of Things Past There is no other guide like this a user friendly and enticing entry into the marvelously enjoyable world of Proust At seven volumes three thousand pages and more than four hundred characters as well as a towering reputation as a literary classic Proust's novel can seem daunting But though begun a century ago in 1909 it is in fact as engaging and relevant to our times as ever Patrick Alexander is passionate about Proust's genius and appeal he calls the work outrageously bawdy and extremely funny and in his guide he makes it more accessible to the general reader through detailed plot summaries historical and cultural background a guide to the fifty most important characters maps

family trees illustrations and a brief biography of Proust Essential for readers and book groups currently reading Proust and who want help keeping track of the huge cast and intricate plot this Reader s Guide is also a wonderful introduction for students and new readers and a memory refresher for long time fans

Switching Time Richard Baer,2007-10-02 A n absorbing journey through a psychiatrist s dauntingly challenging first case of multiple personality disorder from the beginning of therapy to stable integration and recovery Colin Ross author of Multiple Personality Order and The Osiris Complex In 1989 Karen Overhill walks into psychiatrist Richard Baer s office seeking help for her depression and a persistent memory problem she routinely loses parts of her day finds herself in places she doesn t remember going to and is told about conversations she doesn t remember having While trying to discover the root cause of her memory loss Baer works to gain Karen s trust but it s years before he learns the true extent of the trauma buried in her past What she eventually reveals is nearly beyond belief a narrative of a childhood spent grappling with unimaginable horror Then Baer receives an envelope in the mail It s marked with Karen s return address but contains a letter from a little girl who writes that she s seven years old and lives inside of Karen Soon Baer receives letters from others claiming to be parts of Karen Under hypnosis these alternate Karen personalities reveal themselves in shocking variety One alter is a young boy filled with frightening aggression another an adult male who considers himself Karen s protector a third a sassy flirt who seeks dominance over the others It s only by compartmentalizing her pain guilt and fear in this fashion that Karen has been able to function since childhood Realizing that his patient represents an extreme case of multiple personality disorder Baer faces the daunting task of creating a therapy that will make Karen whole again As powerful as Sybil or The Three Faces of Eve Switching Time is the first complete account of such therapy to be told from the perspective of the treating physician a stunningly devoted healer who worked selflessly for decades so that Karen could one day live as a single human being
