

A woman with long dark hair, wearing a black and red jumpsuit, is floating in a vast, colorful space filled with purple and blue nebulae and distant stars. She is reaching out with her right hand towards the text. Above her, a small, dark, robot-like figure with a white chest and red accents is floating. The overall scene has a dreamlike, ethereal quality.

Losing You:

How to Kill Your Ghosts Rowan Gladish, 2011-01-01 Poet Rowan Gladish explores the five stages of grief in a new context with her debut collection *How to Kill Your Ghosts*. Rowan uses the stages of grief to navigate the ending of a relationship along with the ending of childhood and the difficult transition to adulthood. Adding a sixth stage, Peace, to the traditional five to show that there is a light at the end of it all.

The Last Love Song Lucinda Riley, Harry Whittaker, 2025-10-23 Sweeping from the rural coast of Ireland to the glamour of 1960s London, *Losing You* is a spellbinding story of love and loss from the internationally bestselling author of *The Seven Sisters* series. Lucinda Riley Discover this reimagined novel from an author loved by millions of readers worldwide. She knew she'd love him for the rest of her life. Whatever the cost. All Sorcha O'Donovan knows is life in her small windswept village on the rugged West Cork coastline. When she falls head over heels for handsome local musician Con Daly and he asks her to run away with him, Sorcha knows she has to follow her heart. Penniless in London, the young lovers soon realize you can't live on dreams alone. But then Con finally gets his big break and their lives change beyond all recognition. Suddenly the future looks bright. But as fame and fortune begins to take its toll, Con and Sorcha must try to hold on to who they truly are or risk losing what matters most. Long before she became the bestselling author of *The Seven Sisters* series, Lucinda Riley wrote *Losing You* as Lucinda Edmonds. This lost treasure has now been reworked and given new life by Harry Whittaker, Lucinda's son and co-author of *Atlas: The Story of Pa Salt*.

Love of a Child Sorrow of a Woman Anne Musoke, 2014-01-13 In this particular book, Anne's writing leans largely towards explorative ideas and experiences of love. Anne is someone who believes deeply in love and often says to friends, family, and colleagues that when a person finds love and is able to give and share it freely as well as receive it wholly while protecting it and treating it with honour and respect, it is then that one has truly found their purpose in life. This is because love is the driving force behind all we do as humanity. Anne was fortunate enough to find a true love in her life at a young age and unfortunately that true love also at some point turned into true pain through various incidents within the relationship. Anne was left alone to wonder about the high price that one may pay for love. Over a period of years, Anne began to write and keep her feelings and musings, and these all culminate into the collection of poetry in *Love of a Child Sorrow of a Woman*. After years of working in the mainstream employment field, Anne has now taken residence in a quiet, peaceful town where she spends her time reading and writing and sharing her life with others in the form of her poetry in the hope that it

countless nights in his past drinking in the sounds and scents of the night The smell of rotten leaves dirt pine and cedar on
the frosty air seemed to invigorate him How much joy it gave him to hear the owls and mourning doves calling through the
