Traces: Lost Bullet Malcolm Rose, 2007-05-15 In the rotting slums of London Luke and Malc are called to investigate the shocking murder of an attractive young doctor The investigation eventually leads Luke to a bizarre cult called the World Church of Eternal Vision whose members believe that the entire medical profession is interfering with creation More doctors are murdered and the pressure mounts on Luke and Malc to find the perpetrators before its too late **Confessions of a Young Novelist** Umberto Eco, 2011-04-25 Umberto Eco published his first novel The Name of the Rose in 1980 when he was nearly fifty In these confessions the author now in his late seventies looks back on his long career as a theorist and his more recent work as a novelist and explores their fruitful conjunction He begins by exploring the boundary between fiction and nonfiction playfully seriously brilliantly roaming across this frontier Good nonfiction he believes is crafted like a whodunnit and a skilled novelist builds precisely detailed worlds through observation and research Taking us on a tour of his own creative method Eco recalls how he designed his fictional realms He began with specific images made choices of period location and voice composed stories that would appeal to both sophisticated and popular readers The blending of the real and the fictive extends to the inhabitants of such invented worlds Why are we moved to tears by a character s plight In what sense do Anna Karenina Gregor Samsa and Leopold Bloom exist At once a medievalist philosopher and scholar of modern literature Eco astonishes above all when he considers the pleasures of enumeration He shows that the humble list the potentially endless series enables us to glimpse the infinite and approach the ineffable This young novelist is a master who has wise things to impart about the art of fiction and the power of words FBI Law Enforcement Bulletin ,1973 **The NCC Days** Dr. Ravi Vanshpal, 2024-05-15 Three cadets Romeo Yogi and Tandon make up the protagonists of this Book When they join the NCC and immerse themselves in the rigorous training and discipline of the great Indian Army they forge deep bonds of friendship and a newfound sense of purpose In NCC their life as a cadet revolves around drills physical fitness and military tactics However this book is not only about the experiences of challenges tough decisions and patriotism Fiction peppers this book with adventure and heartwarming moments of team spirit painting a vivid picture of the NCC s transformative impact on these young cadets The army s challenging task is beautifully portrayed through the characters experiences highlighting the sacrifices and dedication required to serve their country Tales like The Worn Tank The Story of Bullet and Yes Sir shared the hidden side of the army s strong armor The stories not only entertain but also promulge shedding light on the importance of discipline and unity in military life **Medical Arena** ,1902 **American Medicine** ,1901 **ngel Planells'Art and the Surrealist Canon** Anna Vives, 2019-08-20 Having been mistakenly perceived as a follower of Salvador Dal Catalan surrealist painter and writer ngel Planells 1901 1989 has passed through the history of art practically unnoticed Yet his work suggests an influence on a number of works by Dal proving that a fairer way to define their relationship is as an artistic dialogue His participation in the groundbreaking International Surrealist Exhibition in
