THE LOST DISCIPLE

Lost Disciple

St. Augustine of Hippo ,D.P. Curtin

Lost Disciple:

The Lost Disciple Les Whitten, 1989-01-01 Based on Biblical references and rich with the history of imperial Rome and early Christianity the tale follows the erotic and ideological misadventures of Demas a follower of Paul [The Lost Disciple](#) Les Whitten, 1990-11 *Against Adimantus, disciple of Manichaeus* St. Augustine of Hippo, D.P. Curtin, 2021-06-15 Adda also referenced in Latin as Adimantus was one of Mani's earliest followers and an exegetical writer commenting on the Greek scriptures and Mani's psalms The preliminary diffusion of Mani's revelation into the late Roman empire was advocated by his disciple Adda which St Augustine would have been familiar with from his time among them as an acolyte This polemic by St Augustine would help clarify both the Catholic position in response to Manichean claims but also help to extinguish the religion amongst intellectual circles in the West Moreover the questions posed by Adda about challenges to the Hebrew Scriptures by the Manicheans would be preserved here for posterity even as the religion of Mani would totally disappear from the world's religious landscape

Change Your Magnetism, Change Your Life Naidhruva Rush, 2017-02-17 Success in every area of life depends on the power of one's magnetism to attract it Broadly defined magnetism is the power of attraction Ordinary metal magnets attract other metal objects according to the power of the magnets The stronger the magnet the stronger the magnetism Magnetism is not only a property of certain metals however Applied to people magnetism is an inner force which attracts people things and opportunities that are on the same wavelength A basic principle of magnetism is that like attracts like We become like the people with whom we mingle not through their conversation but through the magnetic vibrations emanating from their bodies The person whose magnetism is stronger gives his vibrations to the other There are as many different types of magnetism as there are people Musicians have one kind of magnetism financiers another and scientists still another We must first decide what kind of magnetism we want and then associate with those people who possess it If we want to become artists we should associate with talented artists If we want to become good at business we should associate with successful business people or leaders If we want to become strong spiritually we should associate with devotees of God Paramhansa Yogananda the great spiritual teacher and author of the classic Autobiography of a Yogi described spiritual magnetism as the power of all powers and often counseled people even those seeking material success to concentrate first on developing spiritual magnetism He said Develop power to attract the highest thing then you can easily attract all lesser things When we have strong spiritual magnetism we are able to attract whatever else we need inspiration money the right job a good living situation or a compatible life partner Naidhruva Rush graduated from Harvard Law School in 1964 and then worked in the Civil Rights Movement as a staff attorney for the NAACP Legal Defense Fund She later served as Director of Community Law Offices in New York City While working as a law professor in the mid 1970s Naidhruva read Paramansa Yogananda's classic Autobiography of a Yogi and a year later moved to Ananda Village with her eight year old son Since then Naidhruva has served as a minister and teacher at Ananda offering courses on meditation and

spiritual living She currently serves as editor of The Essence of Clarity formerly Clarity magazine and previously edited In Divine Friendship and Swami Kriyananda A Life in God Naidhruva is also the author of The Ananda Cookbook **Manford's Magazine** ,1890 **The Missing Link Magazine, Or, Bible Work at Home and Abroad , The Lost Disciple (Dungeon Lords** J. B. Coleman,2025-04-22 Dungeon Lords The Lost Disciple is an epic progression fantasy novel set in a world where prophecy has been twisted and fate is a battlefield For 300 years Emperor Cosimir ruled Evania with an iron grip using dark magic to enforce his reign The once great kingdoms were driven underground forced into servitude as Dungeon Lords to escape the deadly scourge that roamed the surface But rebellion was inevitable **Return of the Believer** Terry L. Burden,2023-06-05 Return of the Believer Studies in the Prayer of Jesus from the Gospel of John is a theological study of the Prayer of Jesus specifically the Gospel of John in general and relevant topics in the Synoptic Gospel The Prayer of Jesus contains twenty six verses with each verse prompting broader applications for the Christian faith The main title Return of the Believer implies an original express of faith in Jesus Christ by John the writer of the Gospel The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John s interpretation of Jesus Christ The Prayer of Jesus is a summary of John s views of Jesus The return of the believer is a call for a renewal of faith in the New Testament especially the Gospel of John This study reveals the Apostle John as the true believer and model for the Christian faith and the Prayer of Jesus provides a summary of John s teachings and the expressed will of God for the Church Each verse is explained in the context of its surrounding verses and important topics are addressed The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church For example the Prayer and the Gospel itself does not mention the birth of Jesus but instead focuses on the pre existence of the Son as the eternal Logos or God This study requires an explanation of the difference Discussions of each verse invite the reader to engage in contemporary related issues *God's Mission in Southern Africa* Thorsten Prill (ed.),Simba Musvamhiri,Peter Koono Tefo,Abednigo Musona,Zeka Avelino Tjiwana,2011-12-13 Research Paper postgraduate from the year 2011 in the subject Theology Practical Theology language English abstract This book is the first volume of theological research papers from the Namibia Evangelical Theological Seminary NETS The authors are young southern African theologians and practitioners While they come from different countries and church backgrounds they all share a commitment to Gospel centred mission and church ministry Simba Musvamhiri Zimbabwe looks at the discipleship process in a fast growing evangelical charismatic church in Namibia s capital Windhoek He argues that attractive services and a strong preaching and teaching ministry as well as a focus on hospitality are no guarantee that church members are fully committed to follow Jesus Christ in all areas of life and on a daily basis What is needed is a relational and transferable discipleship process which equips all church members whether they are students young professionals or other community members to move towards spiritual maturity Peter Koono Tefo Lesotho demonstrates the importance of pastoral visitation in the southern

African context According to Tefo there is a direct correlation between the frequency and quality of pastoral visits by church leaders and active participation in the life of a local congregation by church members Abednigo Musona Zimbabwe examines the relationship between church leadership and the level of participation of church members in congregational programmes and fluctuations in church membership respectively He argues that a church leadership which follows Biblical principles is more likely to achieve spiritual and numerical growth Finally Zeka Avelino Tjiwana Namibia explores the situation of young church members in the north of Namibia He shows that due to the absence of youth ministry guidelines and a lack of spiritually mature and well trained youth leaders emotional and spiritual problems of young people are not properly addressed
