## **Lost Glory:**

The Prophetic Times ,1869      The Land & the Orchard of Human Species Babajide M. Ola-Buraimo,2011-04-12 The analytical views in this book are not in any way serendipity rather they were well thought out and structured as simply received Thus arises the need to initiatively look back at the epoch of our existence on Earth as preceded by the following survival of the fittest search for food where to live sacrifices and rituals to appeal to God brutalism against one another religious sect formation and deforestation due to uncontrollable population increase Improvisation of wooden houses trees of concrete iron and steel have been initiated but in a way they have continually caused global warming to increase very much at a gradual pace as civilization advances through Machine Age mechanized farming industrialization and technological advancements space exploration and globalization of industries and corporate organizations The heat increases at an unusual unprecedented level due to greenhouse gas emission and thus the assumed greenhouse releases a light weight carbon dioxide CO<sub>2</sub> gas into the atmosphere which is speculated to have formed impenetrable blanket The presence of CO<sub>2</sub> is an indicator pointing to a fact that this gas in question had been released in the past and is presently being discharged uncontrollably More so there seems to be no end in sight as the CO<sub>2</sub> continues to be sporadically expunged into the atmosphere The process described above has continued to be expanding through all frontiers with no end in sight where new neighborhoods are being built Suburbs margining together as new Castles are evolving block by block and concrete plazas are enveloping the Earth so are the vegetative forest of trees are disappearing causing global warming to increase exponentially The increase becomes very much intense at an alarming rate in that it has now been considered to be adversely effective when found to be dangerously impacting the essence and every facet of life Analytical research is hereby required to be conducted by the world s best researchers and scientists in their respective professional fields Necessary wisdom of advice has to be forwarded by religious leaders of all known notable reliable religious groups or denominations Leaders and heads of governments of all Nations that control every facet of life in every part of the globe must guide and monitor purposely to do proper checks and balances with intuition ideology predictions and prophecies contained in this book The Land the Orchard of Human Species This is to determine the level of damages caused by humanity thereby putting the Earth s conditions into a scale of ratio prior to civilization and as civilization progresses i e the condition of the Earth from time immemorial as the scientists and archaeologists can determine through lists of records and documentaries Precisely from premedieval periods to present days and age while projecting into the future of the planet Earth in order for us to be just and find peace among ourselves and on Earth If humanity cannot find peace on Earth then we cannot find peace elsewhere because human s trait is like a shadow that trails behind you when you take a walk in the light Source of all lives and the means of energy and growth      Overcoming Eating In The Dream Tella Olayeri,2023-10-31 Eating in the dream is a complex message that cut across board with culture and religious backgrounds It is a disturbing dream that must not be taken lightly

It is demonic as your spirituality is checkmate and vulnerable to destruction It is a satanically dangerous venture that reduces one from mountain top to the valley It reverses people from giant to Lilliput The kingdom of darkness is the major source that triggers most food we eat in the dream This book gives detail understanding of this message of how to go about it No matter your belief demonic food is demonic To dream of eating on regular basis or being forced fed foretells demonic oppression pollution witchcraft initiation spiritual attack and or introduction of terminal disease to victim s life This is the reason you don t take it light Eating in the dream is a spiritual trap that scatters good plans of people decisions and hope For this reason you need God s intervention to purge you of evil food and evil deposit orchestrated by Satan and his agents It is not joy per se but spiritual punishment It is one of the weapons used by adversaries to carry out diabolic agenda to kill to steal and to destroy It violates and pollutes the body mind and soul including the blood brain liver kidney destiny and entire life Enemy poisons victims through evil deposits and evil plantations in the body resulting in ailment and deadly disease with no medical solution Satan is clever beware of him I count you lucky to come across this book as it will address the issue in detail To God be the glory this book covers the followings 1 Chain of darkness that ties down destiny shall break while conscious and unconscious witchcraft initiation expires 2 Witchcraft powers that cook and feed you in the dream shall vanish and be no more 3 Generational curse and evil inheritance effects are broken giving room for breakthrough and success to locate you 4 Angels of God will frustrate every conspiracy against you while strategy of darkness is rebuked Haters of breakthroughs shall be disgraced and disappointed 5 Satanic barriers erected against you to achieve success shall not prevail but scatter 6 You shall possess your possessions by fire and enlarge your coast as God will visit you in a surprise way you never bargain 7 Bondage of darkness holding you captive shall brake as persistent demonic dream stops 8 No weapon fashioned against you shall prosper bewitchment of the wicked against you shall rise no more 9 Any strange deposit or disease introduced to your body shall melt away by fire 10 Wicked altar where evil plans are carried out shall be pulled down and rise no more Be brave go for this book Be strong and take heart recover what you hope for in the Lord You are blessed

**The Mystery of the Church: God's Self-Revelation in Ephrem the Syrian** Jijimon J. Puthuveettilkalam, This book offers a comprehensive study of Ephrem s surviving writings relevant to his understanding of the Church It traces the key themes of his ecclesiology examines how his ideas interrelate and explores their inner coherence Central to this investigation are four guiding questions Why is there a Church Where was it born How is it related to God s self revelation And how does it symbolise God s revelation to humanity *A book of anecdotes, religious, interesting and practical* Matthew Denton, 1842

*English for Lovers of English* S.K. Rana, 2016-07-30 In this book I have brought together about 1 400 utterances that are faulty None of these faulty utterances have been produced by me to illustrate incorrect use of English All the faulty utterances found in this book have been taken from printed material mostly from the newspapers I read In order to focus attention on the error I have shortened some of the faulty utterances To me it is very important that the faulty utterances in

this book have not been produced by me Jacques Barzun the celebrated American scholar and recipient of the Gold Medal for Criticism from the American Academy of Arts and Letters has something very pertinent to say on genuine faults as opposed to faults that have been produced as sample utterances This is what Barzun says In student writing when the assignments are frequent and well designed all kinds of error and clumsiness occur that are never found in the sample sentences of manuals and grammar books These faults have the advantage of being genuine they represent somebodys way of thought and finding them faulty is a therapeutic attack on the mind that produced them Barzun is talking about writing done by university students in America but what he says about it is applicable to a great deal of Indian writing too *My Hardcover Book* Kingsworth Bolade,2017-08-02 Understanding SPIRITUAL DIMENSIONS is a divinely inspired book with deep insights into the unseen realities around us every day It is a spiritual journey into other unseen realms and spheres of existence It is an empowerment from God to adequately equip and properly navigate your spirit soul and body from the dimension of Time into the dimensions of Eternity This is the most needed revelation of our time The bible remains the most accurate book on this subject matter This book will re enforce and open the eyes of your understanding to the missing pieces about your past present and future Supernatural intelligence is far beyond our comprehension Yourspiritual identity in Christ is eternity ahead of artificial intelligence or any scientific discoveries at any point in time The lifelong answers that you seek in your life is always closer to you than you realize Your physical reality is not your whole reality that s less than 5%% of your full reality This book will tremendously bless your life The Lost Glory Dave Markee,1999 Someone has said As a Christian the artist is on trial by the Church As an artist the Christian is on trial by the world For many years people involved in the creative arts have been misunderstood misinformed and misused by the Church We have somehow failed to release the full potential of their gifts and so we have missed out on the valuable contribution they could make to our corporate worship This book is full of wisdom and insight into the nature of the artist and his struggle for true expression It will help many to see a breakthrough In their worship both in their personal lives and in the Church as we recapture the Lost Glory *The Complete Works of the Swami Vivekananda* Swami Vivekananda,1915 Children's Stories in English Literature from Shakespeare to Tennyson Henrietta Christian Wright,1892 **Bibliotheca Sacra** ,1871 The Life of Jesus Christ ...
