## Lost Self:

**Borderline Personality Disorder - The Lost Self** , Our Darlings ,1894      **How to Find Yourself When You're Lost in Life** Aimee Whitehead,2018-06-10 Feeling lost is an unwelcome feeling We become more anxious and wary of our surroundings as we make our way through unfamiliar territories and uncharted places We feel desperate And this is understandable After all you re not likely to survive in a place which you have little knowledge of You can t make a living if you have no idea how the systems and entities around you interact This is one of the reasons why feeling lost in life is a really unsettling feeling It fuels our negative self thoughts and keeps us on edge It can compromise our relationships with others and even with our own selves It s a dark and dreary place to be in we know and understand but it doesn t have to be that way Our own internal compass is not as jeopardized as we think it is And if we look closer we would see that we have all the means to find our way back This is the aim of this book It s meant to help you clear the fog that obscures the view of the path you wish to take And it s also meant to be a great companion you can refer back to at any point in your life      Facing Codependence Pia Mellody,Andrea Wells Miller,J.
