## **Lost Words:**

**The Lost Words** ,2022-05 The Lost Words by composer James Burton takes its inspiration and text from the award winning cultural phenomenon and book of the same name by Robert Macfarlane and Jackie Morris a book that was in turn a creative response to the removal of everyday nature words like acorn newt and otter from a new edition of a widely used children s dictionary Both the book and Burton s 32 minute work which is written in 12 short movements for upper voice choir in up to 3 voice parts with either orchestral or piano accompaniment celebrates each lost word with a beautiful poem or spell magically brought to life in Burton s music At its heart the work delivers a powerful message about the need to close the gap between childhood and the natural world Burton s piece was co commissioned by the Hall Concerts Society for the Hall Children s Choir and the Boston Symphony Orchestra The piano accompaniment version was premiered at the Tanglewood Festival in 2019 by the Boston Symphony Children s Choir of which Burton is founder and director The Hall Children s Choir will premiere the orchestral version of the full work in Manchester UK post pandemic Vocal Score Co commission by Boston Symphony and Hall Concerts Society for their respective Children s Choirs Two versions with orchestral or with piano accompaniment The vocal score is the same for both versions James Burton is a composer but also a conductor He is conductor of the Tanglewood Festival Chorus and choral director of the Boston Symphony The book The Lost Words

exquisitely designed has won multiple awards and is an international best seller The vocal score includes Jackie Morris s beautiful imagery in its cover design     [The Dictionary of Lost Words: Reese's Book Club](#) Pip Williams,2022-05-03 NEW YORK TIMES BESTSELLER REESE S BOOK CLUB PICK Delightful a captivating and slyly subversive fictional paean to the real women whose work on the Oxford English Dictionary went largely unheralded The New York Times Book Review A marvelous fiction about the power of language to elevate or repress Geraldine Brooks New York Times bestselling author of People of the Book Esme is born into a world of words Motherless and irrepressibly curious she spends her childhood in the Scriptorium an Oxford garden shed in which her father and a team of dedicated lexicographers are collecting words for the very first Oxford English Dictionary Young Esme s place is beneath the sorting table unseen and unheard One day a slip of paper containing the word bondmaid flutters beneath the table She rescues the slip and learning that the word means slave girl begins to collect other words that have been discarded or neglected by the dictionary men As she grows up Esme realizes that words and meanings relating to women s and common folks experiences often go unrecorded And so she begins in earnest to search out words for her own dictionary the Dictionary of Lost Words To do so she must leave the sheltered world of the university and venture out to meet the people whose words will fill those pages Set during the height of the women s suffrage movement and with the Great War looming The Dictionary of Lost Words reveals a lost narrative hidden between the lines of a history written by men Inspired by actual events author Pip Williams has delved into the archives of the Oxford English Dictionary to tell this highly original story The Dictionary of Lost Words is a delightful lyrical and deeply thought
