Catton Jr.,2009-05-06 Ecological roots of our troubled time are deeper than its economic manifestations Anguished posterity will look back on this 21st century as the bottleneck century Bottleneck Humanity's Impending Impasse was written to show how and why three converging trends have put humankind in much deeper peril than is generally acknowledged First there are many more of us inhabiting this planet than it can sustain Second technological advances of recent centuries have made gigantic and prodigal our per capita resource appetites and our per capita environmental impacts Third even though as the symbol using species we humans conceivably could do better at anticipating future circumstances and planning ahead our evolutionary heritage together with unanticipated dysfunctions of modern division of labor have kept us too preoccupied with short term concerns People today are dependent upon a fantastically intricate web of exchange relations the market Even when functioning normally and not in a collapsed condition as currently this system of relations has a serious and pervasive dehumanizing effect not adequately discerned by economists nor sociologists Recognition of and adequate adaptation to the deteriorating ecological context of human life has been impeded Human societies even our own are almost certainly going to act in ways that will make an inevitably difficult future unnecessarily worse Factors analyzed in this book have made people seriously averse to the kind and extent of cooperation our difficult future will require Together with the basic trio of disturbing trendshumans having become so numerous so ravenous and so short sightedthis has made the nature of todays human prospect far more dire than most policymakers dare admit It tempts even the wisest and most civic minded to seek or promote remedial policies that will worsen the real predicament     **Smuggling Donkeys** David Helwig,2007 Abandoned by his wife for spirituality and yoga she says a retired teacher surviving a hard winter on memory and jokes finds that life still has surprises in store for him Including an attractive former student and an empty old church that he s turned into a theatre As Ingrid Ruthig of Canadian Notes Queries wrote Smuggling Donkeys lacks nothing in largeness of thought or spirit

**White Bird in a Blizzard** Laura Kasischke,2014-07-15 I am sixteen when my mother steps out of her skin one frozen

January afternoon pure self atoms twinkling like microscopic diamond chips around her perhaps the chiming of a clock or a few bright flute notes in the distance and disappears No one sees her leave but she is gone Laura Kasischke's first novel *Suspicious River* was hailed by the critics as extremely powerful The Los Angeles Times amazing The Boston Globe and a novel of depth beauty and insight The Seattle Times Now Kasischke follows up her auspicious debut with a spellbinding and erotic tale of marriage secrets and self deception When Katrina Connors mother walks out on her family one frigid January day Kat is surprised but not shocked the whole year she has been becoming sixteen falling in love with the boy next door shedding her baby fat discovering sex her mother has slowly been withdrawing As Kat and her father pick up the pieces of their daily life she finds herself curiously unaffected by her mother's absence But in dreams that become too real to ignore she's haunted by her mother's cries for help *Graham Rawle's Lost Consonants III* Graham Rawle,1993 All social researchers need to think about ethical issues Their salience has recently been increased by the pressures of ethical regulation particularly in the case of qualitative research But what are ethical issues And how should they be approached These are not matters about which there is agreement *Ethics in Qualitative Research* explores conflicting philosophical assumptions the diverse social contexts in which ethical problems arise and the complexities of handling them in practice The authors argue that the starting point for any discussion of research ethics must be the values intrinsic to research above all the commitment to knowledge production However the pursuit of inquiry is rightly constrained by external values and the book focuses on three of these minimising harm respecting autonomy and protecting privacy These external values are shown to be far from unequivocal in character often in conflict with one another or with the commitments of research and always subject to situational interpretation and practical judgment Nevertheless it is contended that in the present challenging times it is essential that qualitative researchers uphold research values Martyn Hammersley is Professor of Educational and Social Research at The Open University Anna Traianou is Senior Lecturer in the Department of Educational Studies Goldsmiths University of London **The Saturday Review of Politics, Literature, Science and Art** ,1886 Saturday Review ,1886 The Linguist ,1959 The collected papers of Albert Einstein: The Berlin years : correspondence, January -- December 1921 Albert Einstein,2009 **New York Magazine** ,1979-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Instructor** ,1979-08 *Stuttering* Barry Guitar,Stuttering Foundation, The,2008 The authors of this book show how it is possible and desirable to integrate and coordinate the two most commonly used therapy approaches and retain the advantages of both methods in order to obtain even more satisfactory results P iii **Registers** Clark Coolidge,1994 Poetry Music is another of Coolidge's grammars
