Edgar Rice Burroughs Robert B. Zeuschner, 2024-10-14 In creating some of the most enduring characters in 20th century literature Burroughs 1875 1950 left a complex bibliographic record of editions and a long chain of fascinated collectors The present reference work details all United States versions of all his works published through 1995 Each listing begins with a description of the first magazine appearance of the story with full publication data the first hardcover is then examined in detail with publisher date a complete description of the book s cover and jacket print run price number of pages and characteristics that separate it from following editions Similar information is then provided from all subsequent editions

Edward P. Rich, 2004-01-01 **Edgar Rice Burroughs** Jimmie C. Goodwin, 2020-02-28 The definitive guide to two of the most prolific paperback publishers of the stories of Edgar Rice Burroughs The book includes all known printings and variations of both the United States and Canadian editions Images throughout show ad pages and other pertinent information The book gives detailed information on variations of the books about such things as publishers address ad pages edge variations size variations and others *Contesting Earth's History in Transatlantic Literary Culture, 1860-1935* Richard Fallon, 2025-02-14 By the mid nineteenth century geologists and palaeontologists had reconstructed an authoritative narrative of Earth s deep history from the planet s molten origins to the rise of humanity Many figures in transatlantic science across subsequent decades however had problems with this narrative it was too secular inhuman and evolutionary or controlled too exclusively by elite scientists Speaking from palaeoscience s unevenly professionalized and controversy racked borders Christian fundamentalists charismatic psychics and respected scholars alike voiced their objections Until now no study has brought their work together for detailed comparative analysis Spanning from the 1860s to the interwar decades *Contesting Earth s History* examines the fascinating stories of five significant examples of fringe or borderline palaeoscience old and young earth creationism hollow earth theory clairvoyant time travel and sunken continent catastrophism Innovatively combining methods from literary studies with the history of science this book attends not just to the conceptual content of these strange sciences but also to their proponents communication of truth claims through diverse genres ranging from the scientific textbook and the technical monograph to the lost world romance and the epic poem By paying close attention to the hitherto overlooked textual forms and literary strategies of these works of pseudoscience this volume throws into relief the variant conceptions of audience evidence and method that jostled and competed in wider scientific culture during this period It also demonstrates that for all their diversity authors of borderline palaeoscience shared the desire to shift the balance of power creating textual spaces where exclusive hierarchies of scientific expertise could be levelled away These conjurers of lost worlds often captivated wide audiences and many of their bizarre astonishing and iconoclastic ideas remain with us to this day Some even inspired early science fiction by the likes of H P Lovecraft and Edgar Rice Burroughs Hijacking geologists and palaeontologists longstanding effort at making the prehistoric past visible authors on the borderlines of palaeoscience

The Top Books of the Year Lost Continent Frazetta Art The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
