## **Lost Horizon:**

**Lost Horizon** James Hilton, 2022-11-13 In Lost Horizon James Hilton crafts a captivating narrative that blends adventure philosophy and social commentary. Set against the backdrop of the tumultuous era of the 1930s, the novel follows a group of plane crash survivors who stumble upon the mythical Shangri La, a utopian sanctuary in the Himalayas. Hilton's prose is imbued with lyrical beauty and a sense of wonder, drawing readers into a world that contrasts with the chaos of modernity. Thematically, the book explores the tensions between civilization and tranquility, delving into profound questions about happiness, the human experience, and the perpetual search for meaning beyond the confines of a materialistic society. James Hilton, a British novelist and screenwriter, rose to prominence in the early 20th century with a keen interest in themes of escapism and idealism. Hilton's own experiences during the interwar period and his exposure to various cultures deeply influenced his portrayal of Shangri La as a symbol of hope and serenity. Lost Horizon, which first appeared in 1933, not only epitomizes Hilton's literary prowess but also offers a critique of contemporary society's disillusionment. Highly recommended for readers who appreciate thought-provoking literature, Lost Horizon invites you to embark on an introspective journey. Its rich storytelling and philosophical undertones encourage reflection on the nature of happiness and fulfillment. Hilton's timeless tale resonates with anyone seeking solace from the trials of life, making it a profound addition to the canon of modern literature.

**Lost Horizon** James Hilton, 2012-05-01 In this engagingly written international bestseller, survivors of a plane crash discover a peaceful paradise hidden in the Himalayas called Shangri La. The New York Times' Hugh Conway saw humanity at its worst while fighting in the trenches of the First World War. Now more than a decade later, Conway is a British diplomat serving in Afghanistan and facing war yet again. This time, a civil conflict forces him to flee the country by plane. When his plane crashes high in the Himalayas, Conway and the other survivors are found by a mysterious guide and led to a breathtaking discovery: the hidden valley of Shangri La. Kept secret from the world for more than two hundred years, Shangri La is like paradise, a place whose inhabitants live for centuries amid the peace and harmony of the fertile valley. But when the leader of the Shangri La monastery falls ill, Conway and the others must face the daunting prospect of returning home to a world about to be torn open by war. Thrilling and timeless, Lost Horizon is a masterpiece of modern fiction and one of the most enduring classics of the twentieth century.
