Lost Masterpieces St John Emile Clavering Hankin,2015-07-11 Excerpt from Lost Masterpieces And Other Verses The passion for making collections generally of quite useless objects seems to be almost universal among the men and women of to day It is found in all classes of Society His Royal Highness the Prince of Wales collects postage stamps Mr Pierpont Morgan collects objects of art Mr Carnegie collects Free Libraries In the lower classes half the little street boys in London seem to collect the portraits of dazzling young females that are given away with the cheaper brands of cigarettes The other half collect tram tickets My friend Mr Cyrus P Tuckett the well known Chicago millionaire is no exception to this rule He is an enthusiastic collector But with an originality as rare as it is refreshing in his class he has found something to collect which most rich men overlook He cares nothing for Raphael s or lost Gainsborough s About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
