Lost Mines And Treasures Of The Southwest

Eugene L. Conrotto

Lost Mines And Treasures Of The Southwest:

Lost Mines and Treasures of the Southwest Jimmie Busher, 1975 **Dig Here!** Thomas Penfield, 2004 The most amazing treasure book ever written giving the locations of well over 100 fabulous fortunes waiting to be found in the ore rich Southwest Thomas Penfield has done years of exhaustive research for Dig Here and has accomplished the Herculean task of separating fact from fiction For the first time lost treasure stories of the Southwest are stripped bare of their legends and lies Each treasure account is preceded by the approximate location estimated total value and authentication Reading sources for each account are also included so you can do additional research on the intriguing stories of these treasures Dig Here is overflowing with lore spellbinding backgrounds driving Western drama and exciting reliable facts **Southwest Traveler - Lost Mines and Buried Treasure** Edward Rochette, 1992-10-01 Throughout the Southwest stories of hidden lost stolen and unreachable gold and other treasures fill curious minds But where are they And what exactly did happen This book not only tells the tales it includes a map to show the way **Coronado's Children** J. Frank Dobie, 2010-06-28 This is the best work ever written on hidden treasure and one of the most fascinating books on any subject to come out of Texas Basic Texas Books Written in 1930 Coronado's Children was one of J Frank Dobie's first books and the one that helped gain him national prominence as a folklorist In it he recounts the tales and legends of those hardy souls who searched for buried treasure in the Southwest following in the footsteps of that earlier gold seeker the Spaniard Coronado These people Dobie writes in his introduction no matter what language they speak are truly Coronado's inheritors I have called them Coronado's children They follow Spanish trails buffalo trails cow trails they dig where there are no trails but oftener than they dig or prospect they just sit and tell stories of lost mines of buried bullion by the jack load This is the tale spinning Dobie at his best dealing with subjects as irresistible as ghost stories and haunted houses As entrancing a volume as one is likely to pick up in a month of Sundays The New York Times Dobie has discovered for us a native Arabian Night Chicago Evening Post **Coronado's Children** James Frank Dobie, 1991-09-01 Bonded Leather binding **Buried Treasures of the American Southwest** W. C. Jameson, 1989 Collects legends and lore of buried treasure in the American Southwest with maps showing locations

Lost Gold and Silver Mines of the Southwest Eugene L. Conrotto, 1996-01-01 Handy guide to long lost mines rich veins of ore silver lodes buried treasure other bonanzas awaiting discovery Descriptions of each treasure general locale maps more 96 maps over 50 other illustrations **Coronado's Children** James Frank Dobie, 1980 **Lost Mines and Hidden Treasure** Leland Lovelace, 2012-06-30 Back In Print Author Leland Lovelace has put together a listing of 25 treasures spanning the United States just waiting to be found Lost Mines and Hidden Treasure is the culmination of a lifetime of work by author Leland Lovelace Her research would include correspondence newspaper clippings printed matter and unpublished manuscripts The majority of what she collected concerns Lovelace's research on lost mines and buried treasures in the Superstition Mountain region This book is a must have for any serious Treasure Hunter as it holds a wealth of information

that many would hold onto but Lovelace chose to share 25 Chapters cover lost mines hidden treasures and even precious gemstones All of them just waiting to be found *Lost Mines* Robert William McAllister,1953 **Oklahoma Treasures**

and Treasure Tales Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure

Coronado's children James Frank Dobie,1971 **Lost Mines and Buried Treasures of Arizona** W. C.

Jameson,2010-01-19 Arizona s history is liberally seasoned with legends of lost mines buried treasures and significant deposits of gold and silver The famous Lost Dutchman Mine has lured treasure hunters for over a century into the remote treacherous and reportedly cursed Superstition Mountains east of Phoenix Gold and silver bars discovered in Huachuca Canyon by a soldier stationed at nearby Fort Huachuca just before World War II remain inaccessible despite years of laborious attempts at recovery Outside the town of Yucca bandits eager to make a fast getaway buried a strongbox filled with gold unaware they wouldn t survive the pursuit of a law enforcing posse to recover their plunder And somewhere in the Little Horn Mountains northeast of Yuma lies an elusive wash containing hundreds of odd gold filled rocks Selected from hundreds of tales passed down from generation to generation since the days of the gold seeking Spanish explorers the tales included here are among the most compelling that Arizona has to offer *Lost Mines of the Great Southwest* John Donald

Mitchell,1933 **CoronadMcS Children** James Frank Dobie,1930 **Lost California Treasure** W. Craig Gaines,2023

Tales of California s buried treasures lost mines and hidden loot From the Pacific Ocean to the eastern Sierra Nevada Mountains California is bursting with rumors of lost riches Sunken cargo from the steamship Brother Jonathon is rumored to still be out there awaiting discovery as well as the location of the famous lost Breyfogle Mine Outlaws like Three Finger Jack and Joaquin Murrieta were said to have stashed their loot while evading law enforcement and Sir Francis Drake s English pirates buried treasures all along the coast Deep underground and underwater a bounty waits for some lucky prospector Join author W Craig Gaines as he unearths stories of legendary and historic lost treasures yet to be found in the Golden State

Commonweal ,1930 **Lost Mines and Buried Treasures of the West** Thomas Probert,1977 This large easy to use volume lists the works of more than eleven hundred different authors covering thousands of stories of lost mines and buried treasures supposedly located in fifteen Western and Southwestern states and in Mexico In addition to being a boon to those adventurers who are tempted to search for lost mines and buried treasures it will be an important basic research tool for historians geologists geographers anthropologists archaeologists and folklorists and it will be useful in identifying the man treasure hoards and mining claims all the way from the Lost Adams Diggings in Arizona to the Stagecoach in Wyoming The information given in this important bibliography was acquired through perusal of an unusually large number of books newspapers magazines unpublished manuscripts deposits in private and public libraries holdings of various historical foundations and governmental records and archives The task took Mr Probert three full years of steady patient work Many of these stories of lost mines and buried treasures have resulted in the discovery of some that are rarely acknowledged largely

because as Mr Probert points out those who have been so fortunate as to find the pot of gold at the end of the rainbow have deemed it wiser and much safer to keep their own counsel Book jacket **Lost Mines of California and Southwest**
Robert William McAllister, 1953 *Saturday Review of Literature*, 1930
