**Change Your Church for Good** Brad Powell,2007-02-04 The

church is the hope of the world when it's working right and therein lies the problem Most aren't This has led both Christians and non Christians to give up on the church entirely it has led many others to give up on all existing churches and maybe even start new ones But all church can and should be transitioned to a new life A church is never beyond hope This book will provide principles and practices that can lead to a resurrection of any church in any setting It will provide the inspiration and information needed to lead a church successfully through the necessary changes of tradition and culture without compromising God's timeless truth When this happens the church will once again be what God intended the hope of the world

Confessions of a Reformation Rev. Mark Driscoll,2009-05-26 This is the story of the birth and growth of Seattle's innovative Mars Hill Church one of America's fastest growing churches located in one of America's toughest mission fields It's also the story of the growth of a pastor the mistakes he's made along the way and God's grace and work in spite of those mistakes Mark Driscoll's emerging missional church took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands With engaging humor humility and candor Driscoll shares the failures frustrations and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post Christian culture In the telling he's not afraid to skewer some sacred cows of traditional contemporary and emerging churches Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that

can inform your church's ministry no matter its present size. The book includes discussion questions and appendix resources. After reading a book like this you can never go back to being an inwardly focused church without a mission. Even if you disagree with Mark about some of the things he says you cannot help but be convicted to the inner core about what it means to have a heart for those who don't know Jesus. Dan Kimball author The Emerging Church will make you laugh cry and get you mad. School you, shape you and mold you into the right kind of priorities to lead the church in today's messy world. Aubrey Malphurs, 1997 Malphurs examines the four things that drive effective ministry values mission vision and strategy and demonstrates how to implement them. Many seminarians envision ministry as 95 percent preaching and 5 percent weddings funerals and visitation. They are often unprepared for the realities of working with a church board mediating disagreements among family members and struggling to maintain effective leadership and a sense of calling. Malphurs examines the four themes that drive effective ministry values mission vision and strategy and demonstrates how to implement these essential qualities into a local church ministry.
