## **Lost Years Of Jesus:**

**The Lost Years of Jesus** Elizabeth Clare Prophet, 2020-12-22 Reads like a detective thriller It picks you up and never lets go of you Jess Stearn bestselling author of Edgar Cayce The Sleeping Prophet Ancient texts reveal that Jesus spent 17 years in the Orient They say that from age 13 to age 29 Jesus traveled to India Nepal Ladakh and Tibet as both student and teacher For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses and three variant translations of these remarkable documents She tells the intriguing story of how Russian journalist Nicolas Notovitch discovered the manuscripts in 1887 in a monastery in Ladakh Critics proved they did not exist then three distinguished scholars and educators rediscovered them in the twentieth century Now you can read for yourself what Jesus said and did prior to his Palestinian mission It's one of the most revolutionary messages of our time *The Life of Saint Issa* Nicholas Notovitch, Virchand R. Gandhi, 2018-07-25 Notovitch's biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here A Crimean Jewish adventurer and explorer of India Notovitch traveled widely across the East in the late nineteenth century He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time Spotting inconsistencies in Notovitch's account it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ *King of Travelers* Edward T. Martin, 2008-09 What really happened to Jesus Christ during the mysterious missing 18 years of his life from the age of 12 to 30 that are not accounted for in the New Testament Join maverick researcher and explorer Edward T Martin as he journeys to remote exotic locations in India Nepal Afghanistan and elsewhere unraveling the mysteries of Jesus Lost Years attempting to separate myth and legend from fact and evidence This is the book that inspired the 2008 Paul Davids film distributed by NBC Universal International Television JESUS IN INDIA as seen on the SUNDANCE Channel **The Unknown Life of Jesus Christ** Nicolas Notovitch, 2023-12-23 In The Unknown Life of Jesus Christ Nicolas Notovitch presents a controversial and thought provoking exploration of the life of Jesus claiming to uncover aspects of his early years that have largely been overlooked by mainstream Christianity Written in a narrative style that blends scholarly analysis with personal testimony Notovitch's book posits that during his supposed lost years Jesus traveled to India and Tibet immersing himself in Eastern spiritual traditions This text challenges conventional biblical narratives by incorporating anecdotal evidence purported translations of ancient texts and Notovitch's own experiences making it a unique contribution to both religious studies and historical inquiry Nicolas Notovitch was a Russian traveler and writer whose wanderlust and deep philosophical questioning likely fueled his pursuit of

understanding the historical Jesus His travels in the late 19th century particularly in the regions of India and Tibet exposed him to a myriad of spiritual beliefs and practices which ultimately influenced his assertions about Jesus formative years Notovitch s own background as a seeker of truth and his encounters with local sages and monks lend an intriguing albeit controversial dimension to his claims This book invites readers to reconsider traditional narratives regarding Jesus Christ and the broader implications of his potential teachings in diverse cultural contexts Ideal for scholars of religious studies history enthusiasts or anyone curious about the intersections of Eastern and Western spirituality **The Unknown Life of Jesus Christ** offers a compelling lens through which to re examine one of history s most pivotal figures

**Unknown Years Of Jesus' Humanity** Audrey Nitsche,2021-06-30 So many times I wonder what Jesus life was really like outside of what s written in the Bible While the gospels talk about his wisdom and teachings they don t really reveal the true man he was and how he handled the delicacies of humanity s primal nature The book ponders the possible lost years of Jesus Christ which enabled him to proclaim his gospel parables of faith hope and love It hypothesizes the humble humanity of Jesus existence on Earth and the life he may have lived to go from being a naive boy to turning into the wise man who would become a Messiah It also describes the author s own faith journey in God Just ask yourself what must Jesus have been like during all those years we know nothing about him How did God persuade him to elegantly heal and do miracles Was he ever reluctant to take on his destined role Did he always have long hair Did he have a pet while a young man Did he ever make mistakes while learning the true ways and nuances of living life This book asks those questions and many more in hopes we begin to believe we can become more like his humble integrity and loving intelligence showed us

**Young Jesus** Jean-Pierre Isbouts,2008 This exploration of the life of Christ as a grass roots reformer draws on new evidence from historical and archeological records in addition to close readings of the canonical and Gnostic Gospels

**The Missing Years of Jesus** Dennis Price,2010-11-01 Discover the incredible evidence of Jesus life not covered by the Bible The so called missing years of Jesus the 18 years that are unaccounted for in the Bible from when Jesus was a boy of 12 to his sudden reappearance at the age of 30 Archaeologist and classical scholar Dennis Price has investigated the clues in Blake s evocative poem *Jerusalem* and has paid meticulous attention to the accounts in the ancient Aramaic and Greek versions of the Bible and he s also conducted an exhaustive and unprecedented study into the myths and legends of Christ in Britain With the assistance of specialists in their own fields and by viewing this enthralling subject as a modern missing person s investigation Dennis Price has pieced together the various pieces of the jigsaw and now presents compelling and highly original evidence that Christ did indeed visit Britain in the company of Joseph of Arimathea in ancient times The weight of new material suggests that Christ remained in Britain for several years before eventually returning to his homeland in the east and this truly extraordinary book now provides a wealth of new information for all those who are intensely curious about this otherwise undocumented period in the life of the most famous person the world s ever known The implications are astonishing and they are presented

Potter, 1985-11-12 For centuries Christian students of the Bible have wondered where Jesus was and what he did during the so called eighteen silent years between the ages of twelve and thirty The amazing and dramatic scrolls of the great Essene library found in cave after cave near the Dead Sea have given us the answer at last That during those lost years Jesus was a student at this Essene school is becoming increasingly apparent Scholars are gradually admitting the startling parallels between his doctrines and vocabulary and those of the Essenes and their Teacher of Righteousness who was evidently executed nearly a century before the birth of Jesus It is to his title and authority that Jesus probably succeeded *The Lost Years Of Jesus (With Dvd)* Elizabeth Clare Prophet, 2010-01-01 SPECIAL EDITION WITH DVDDocumentary evidence of Jesus 17 year journey to India Nepal and Tibet Ancient texts reveal that Jesus spent seventeen years in the Orient They say that from age 13 to age 29 he was both student and teacher The events of his pilgrimage from Jerusalem to India were recorded by Buddhist historians To this day he is known and loved throughout the East as Saint Issa For the first time Elizabeth Clare Prophet brings together the testimony of four eyewitnesses of these remarkable documents With the thoroughness of a determined disciple turned detective she tells the intriguing story of the international controversy that arose when the manuscripts were first discovered in 1887 by Nicolas Notovitch how experts proved they did not exist only to have them rediscovered in this century by Swami Abhedaananda Professor Nicholas Roerich and Mme Elisabeth Caspary Now you can read in one volume the chronicles and legends of what Jesus did and said in India Nepal Ladakh and Tibet prior to his Palestinian mission and the heartwarming personal accounts of those who made the trek to the Himalayas and brought back the most revolutionary message of our time

**The Lost Years of Jesus** Elizabeth Clare Prophet, 1986 Incredible Shrinking Son of Man Robert M. Price, 2009-09-25 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests

Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus. Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels. After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar, Price systematically discusses the narrative and teaching materials in the Gospels, clearly presenting what is known and not known about all of the major episodes of Jesus' life. He also examines the parables for authenticity as well as Jesus' teachings about the Kingdom of God, repentance, prayer, possessions and poverty. The Atonement and many other features of the Gospels. Written for the general reading public in a lively and accessible style, Dr. Price's highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity. **Jesus**

**from Heaven** Patricia Kirmond, 2020-02-10 What is heaven really like? A recently departed soul speaks from heaven about his experiences on the other side. The unseen author of this book tells us of life's true purpose and urges us to make the most of our sojourn on earth. He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see. If we act now we can still turn things around but we need help from heaven. I have witnessed so many beautiful and amazing events on this side. However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference. I feel an urgency to help people recognize the signs of the times. This story of a soul's life after death will change the way you look at life and death.
