Harris, PhD, 2016-06-29 After years of offering emotional support and guidance to children young adults and families coping with grief and loss Dr Mekel Harris a licensed psychologist came face to face with her own grief following her mother's diagnosis with stage IV pancreatic cancer in November 2012 Just 30 days after receiving news of her mother's devastating diagnosis Dr Harris mother died thrusting Dr Harris into an emotional physical and spiritual whirlwind Within a brief period of time she was forced to confront herself and others in ways she had never known Relaxing Into the Pain offers a glimpse into Dr Harris grief journey thus far a journey filled with peaks valleys and spiritual crossroads Her candid journal entries coupled with self reflections about her experiences provide insights into the overwhelming nature of as well as the beauty within grief and loss Most importantly Dr Harris reflections offer Christ centered inspiration and hope to those traveling along grief's road and challenge the reader to consider its transformative depths **Ambiguities of Domination** Lisa Wedeen, 2015-09-09 Treating rhetoric and symbols as central rather than peripheral to politics Lisa Wedeen's groundbreaking book offers a compelling counterargument to those who insist that politics is primarily about material interests and the groups advocating for them During the thirty year rule of President Hafiz al Asad's regime his image was everywhere In newspapers on television and during orchestrated spectacles Asad was praised as the father the gallant knight even the country's premier pharmacist Yet most Syrians including those who create the official rhetoric did not believe its claims Why would a regime spend scarce resources on a personality cult whose content is patently spurious Wedeen shows how such flagrantly fictitious claims were able to produce a politics of public dissimulation in which citizens acted as if they

revered the leader By inundating daily life with tired symbolism the regime exercised a subtle yet effective form of power The cult worked to enforce obedience induce complicity isolate Syrians from one another and set guidelines for public speech and behavior Wedeen's ethnographic research demonstrates how Syrians recognized the disciplinary aspects of the cult and sought to undermine them In a new preface Wedeen discusses the uprising against the Syrian regime that began in 2011 and questions the usefulness of the concept of legitimacy in trying to analyze and understand authoritarian regimes
