## **Mona Lisa Is Missing:**

**The Mona Lisa is Missing!** Ramsey Montgomery, R. A. Montgomery, 1988 The reader is hired by the French FBI to help find the stolen Mona Lisa     **The Mona Lisa is Missing!** Ramsey Montgomery, 2024 Just two weeks before your family's summer trip to Paris the world's most famous painting the Mona Lisa is stolen from the Musee du Louvre This crime in the heart of the French capital is unimaginably bold When the Surete France's FBI learns that you solved the theft of another important painting last year in Washington D.C. they ask you to fly over early to help them work on the investigation

**Vanished Smile** R.A. Scotti, 2009-04-07 On August 21, 1911 the unfathomable happened Leonardo da Vinci's Mona Lisa vanished from the Louvre. More than twenty-four hours passed before museum officials realized she was gone. The prime suspects were as shocking as the crime Pablo Picasso and Guillaume Apollinaire young provocateurs of a new art. As French detectives using the latest methods of criminology including fingerprinting tried to trace the thieves a burgeoning international media hyped news of the heist. No story captured the imagination of the world quite like this one. Thousands flocked to the Louvre to see the empty space where the painting had hung. They mourned as if Mona Lisa were a lost loved one, left flowers and notes and set new attendance records. For more than two years Mona Lisa's absence haunted the art world provoking the question Was she lost forever? A century later questions still linger Part love story part mystery Vanished Smile reopens the case of the most audacious and perplexing art theft ever committed. R.A. Scotti's riveting ingeniously realized account is itself a masterly portrait of a world in transition. Combining her skills as a historian and a novelist Scotti turns the tantalizing clues into a story of the painting's transformation into the most familiar and lasting icon of all time.

**The Lost Mona Lisa** R. A. Scotti, 2009 In The Lost Mona Lisa R.A. Scotti uncovers the truth behind the crime of the century. It is a story to rival the best detective fiction a story about audacious thieves art forgers shadowy conmen millionaire collectors a global manhunt and the most beautiful and enigmatic woman in the world Mona Lisa Gioconda     **The Missing Mona Lisa** David Ferrazzi, 2020-06-21 How can a girl disappear from a 16th century painting? That was the question everyone asked when all of the lights went off for about thirty seconds then returned without the most famous woman in the world Mona Lisa. Excuse me What did you say? That the girl painted by Leonardo Da Vinci centuries ago simply disappeared from her own painting? All that was left was a bucolic landscape and a climate of terror and uncertainty in the old City of Lights. It was like she'd never existed. Has it always been a hallucination or centuries of mass hysteria? Amid a Paris on the brink of chaos the young Detective Marc Lambert must investigate this bizarre event while dealing with another unusual trauma in his life and several threats. It won't be an easy task for the Head of the Art Department who only has two detectives just as young as himself on his side Bernard German a clumsy video game addict and Alicia Faucher a single mom who bases her decisions on astrology. As in her first disappearance the whole world's press is interested in the case. Breaking news: Mona Lisa disappeared from her own painting. How is that possible? Barbara Lavigne a young but renowned reporter found herself

being dragged into this event which defies the laws of physics in order to answer the question no one knows the answer to Meanwhile she has to deal with ethical dilemmas mysterious entities a thirsty for scoops boss and an immeasurable inner desire to take new directions within journalism even if it takes her to such strange directions Strong and organized like Napoleon s armada the French society is shaken to the core While there aren t satisfactory explanations the political class takes advantage of the obscure event to bring the public to their side and throw them against those who let such a tragedy happen Release the guillotine Making hasty conclusions though might be dangerous when it comes to Leonardo Da Vinci as everyone knows his imagination had no limits For that the public stands shocked wondering what was behind this incomprehensible event Would it have been a masterful plan by the greatest painter of all time A modern artistic intervention like those of the artist Banksy A more sophisticated robbery than that one carried out by Vincenzo Peruggia one hundred years ago The result of the sum of time negligence and poor conservation The work of spirits and other powerful beings from another dimension A divine miracle of those to restore the faith of lost souls The goodbye of a girl tired of her unintended fame Or the harbinger of the end of the world in the form of art Men may come and men may go mother nature stays forever How could Mona Lisa disappear without even saying an Au Revoir
