**The Horror of It All** Adam Rockoff, 2015-05-19 Pop culture history meets blood soaked memoir as Adam Rockoff a passionate fan of the horror genre in all its forms The New York Times recalls a life spent watching blockbuster slasher films cult classics and everything in between Horror films have simultaneously captivated and terrified audiences for generations racking up millions of dollars at the box office and infusing our nightmares with chainsaws goblins and blood spattered machetes Today s hottest television shows feature classic horror elements from marauding zombies and sexy vampires to myriad incarnations of the devil himself Yet the horror genre and its controversial offshoots continue to occupy a nebulous space in our critical dialogue The Horror of It All is a memoir from the front lines of the horror industry that dissects and occasionally defends the massively popular phenomenon of scary movies Author Adam Rockoff delivers the sharpest pop culture criticism you ll find in any medium today Rue Morgue as he traces the highs and lows of the genre through the lens of his own obsessive fandom which began in the horror aisles of his childhood video store and continued with a steady diet of cable trash From the convergence of horror and heavy metal to Siskel and Ebert s crusade against the slasher flick to the legacy of the Scream franchise and the behind the scenes work of horror directors and make up artists Rockoff mines the rich history of the genre braiding critical analysis with his own firsthand experiences as a horror writer and producer Filled with mordant wit and sharp insight The Horror of It All is an amiable and often amusing guide Kirkus Reviews that explains why horror films not only endure but continue to prosper Be afraid Be very afraid **killing for culture** David

Kerekes, David Slater, 2016-06-03 Unlike images of sex which were clandestine and screened only in private images of death were made public from the onset of cinema The father of the modern age Thomas Edison fed the appetite for this material with staged executions on film Little over a century later the executions are real and the world is aghast at brutalities freely available online at the click of a button Some of these films are created by lone individuals using shaky camera phones Luka Magnotta for instance and the teenagers known as the Dnipropetrovsk maniacs Others are shot on high definition equipment and professionally edited by organized groups such as the militant extremists ISIS KILLING FOR CULTURE explores these images of death and violence and the human obsession with looking and not looking at them Beginning with the mythology of the so called snuff film and its evolution through popular culture this book traces death and the artifice of death in the mondo documentaries that emerged in the 1960s and later the faux snuff pornography that found an audience through Necrobabes and similar websites However it is when videos depicting the murders of Daniel Pearl and Nick Berg surfaced in the 2000s that an era of genuine atrocity commenced one that has irrevocably changed the way in which we function as a society

*Storia della letteratura italiana* Francesco De Sanctis, 1912 *Historical Dictionary of Italian Cinema* Gino Moliterno, 2020-12-08 Italian cinema is now regarded as one of the great cinemas of the world Historically however its fortunes have varied Following a brief moment of glory in the early silent era Italian cinema appeared to descend almost into

irrelevance in the early 1920s. A strong revival of the industry which gathered pace during the 1930s was abruptly truncated by the advent of World War II. The end of the war however initiated a renewal as films such as *Roma città aperta* (Rome Open City) (1946) and *Ladri di biciclette* (Bicycle Thieves) (1948) flagbearers of what soon came to be known as Neorealism attracted unprecedented international acclaim and a reputation that only continued to grow in the following years as Italian films were feted worldwide. Ironically they were celebrated nowhere more than in the United States where Italian films consistently garnered the lion's share of the Oscars with Lina Wertmüller becoming the first woman to ever be nominated for the Best Director award. This second edition of *Historical Dictionary of Italian Cinema* contains a chronology, an introduction and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on major movements, directors, actors, actresses, film genres, producers, industry organizations and key films. This book is an excellent resource for students, researchers and anyone wanting to know more about Italian Cinema. *Italian Film* John Stewart, 1994. An encyclopedic reference and filmography to the nearly 5,000 people involved in the Italian film-making industry since 1896. Each entry provides a brief biography and an account of what films each person worked in and in what capacity. An annotated title index includes a listing of both the Italian and English language title versions. Annotation c. *Italian Horror Film Directors* Louis Paul, 2015-06-08. There is no cinema with such effect as that of the hallucinatory Italian horror film. From Riccardo Freda's *I Vampiri* in 1956 to *Il Cartaio* in 2004, this work recounts the origins of the genre, celebrates at length ten of its auteurs and discusses the noteworthy films of many others associated with the genre. The directors discussed in detail are Dario Argento, Lamberto Bava, Mario Bava, Ruggero Deodato, Lucio Fulci, Umberto Lenzi, Antonio Margheriti, Aristide Massaccesi, Bruno Mattei and Michele Soavi. Each chapter includes a biography, a detailed career account, discussion of influences, both literary and cinematic, commentary on the films with plots and production details and an exhaustive filmography. A second section contains short discussions and selected filmographies of other important horror directors. The work concludes with a chapter on the future of Italian horror and an appendix of important horror films by directors other than the 50 profiled. Stills, posters and behind-the-scenes shots illustrate the book. **The Encyclopedia of American Independent Filmmaking** Vincent LoBrutto, 2002-12-30. Independent filmmaking is often regarded as a relatively recent phenomenon, yet the so-called movement has actually existed as long as movies themselves. In this indispensable single-volume reference work, LoBrutto surveys the subject from cinema's inception through the 21st century. Written in an accessible style and including biographical, critical, factual and bibliographical information, this remarkable source encompasses films and filmmakers operating independently from the studio system in concept, financing, production and distribution. Such a broad interpretation of independent filmmaking separates it from that of commercial Hollywood, a conglomerate existing to create product rather than support personal artistic vision. Many of the entries' subjects have rarely been investigated and studied, yet knowledge of independent filmmaking is vital to any understanding of the cinematic medium.

making this an essential book for any library's film shelves      *Video Watchdog*, 1998      *Le commedie* Giambattista della Porta, 1910      *La Rassegna*, 1917      *Bodies of Desire and Bodies in Distress* Xavier Mendik, 2015-09-18 In recent years there has been an explosion of critical interest in the icons, genres and traditions of 1970s Italian cult film. Thanks to the international success of directors such as Dario Argento and Sergio Martino and the influential giallo thriller cycle in which they worked, these unconventional and often controversial films are now impacting on new generations of filmmakers, scholars and moviegoers alike. *Bodies of Desire and Bodies in Distress: The Golden Age of Italian Cult Cinema 1970-1985* considers the current interest in specific Italian directors and cult genres, exploring the social, political and cultural factors that spawned a decade of cinema dominated by extreme yet stylish images of sexuality and violence. *Bodies of Desire and Bodies in Distress* situates the explosion of 1970s Italian cult excess against the toxic backdrop of political violence and terrorist activity that produced shocking images of carnage and crime during this period. The volume also considers why the iconography of the sexually liberated female became recast as a symbol of fear and violation in a range of Italian cult film narratives. In addition, the book also analyses how longstanding regional distinctions between Italy's urban North and the much maligned rural South fed into sex and death cycles produced between 1970 and 1985. *Bodies of Desire and Bodies in Distress* profiles leading 1970s Italian directors and performers including Aristide Massaccesi, Joe D'Amato, Laura Gemser and Dario Argento, who also provides an interview discussing his work and 1970s Italian society. The volume also provides case studies of the giallo cycle, rape and revenge dramas, the Italian rogue cop series, post-apocalypse films, barbarian movies and sex comedy formats. By considering the icons and genres from the golden age of Italian cult film alongside the crucial social and sexual tensions that influenced their creation, this book will be of interest to film scholars and cult movie fans alike.
