*The Money Men* H. W. Brands, 2010-11-01 An insightful Publishers Weekly history of the development of American capitalism and the men who made it great Most Americans are familiar with the political history of the United States but there is another history woven all through it a largely forgotten history the story of the money men Acclaimed historian H W Brands brings them back to life J P Morgan who stabilized a foundering U S Treasury in 1907 Alexander Hamilton who founded the first national bank and Nicholas Biddle under whose directorship it failed Jay Cooke who helped to finance the Union war effort through his then innovative strategy of selling bonds to ordinary Americans and Jay Gould who tried to corner the market on gold in 1869 and as a result brought about Black Friday and fled for his life *Money Men* Dan McCrum, 2022-06-15

**Mayas in the Marketplace** Walter E. Little, 2004-12-01 Selling handicrafts to tourists has brought the Maya peoples of Guatemala into the world market Vendors from rural communities now offer their wares to more than 500 000 international tourists annually in the marketplaces of larger cities such as Antigua Guatemala City Panajachel and Chichicastenango Like businesspeople anywhere Maya artisans analyze the desires and needs of their customers and shape their products to meet the demands of the market But how has adapting to the global marketplace reciprocally shaped the identity and cultural practices of the Maya peoples Drawing on over a decade of fieldwork Walter Little presents the first ethnographic study of Maya handicraft vendors in the international marketplace Focusing on Kaqchikel Mayas who commute to Antigua to sell their goods he explores three significant issues how the tourist marketplace conflates global and local distinctions how the marketplace becomes a border zone where national and international developed and underdeveloped and indigenous and non indigenous come together how marketing to tourists changes social roles gender relationships and ethnic identity in the vendors home communities Little s wide ranging research challenges our current understanding of tourism s negative impact on indigenous communities He demonstrates that the Maya are maintaining a specific community based sense of Maya identity even as they commodify their culture for tourist consumption in the world market Debating the Woman Question in the French Third Republic, 1870-1920 Karen Offen, 2018-01-11 A magisterial reconstruction and analysis of the heated debates around the woman question during the French Third Republic The Lanny Budd Novels Volume Two Upton Sinclair, 2018-04-17 Books four through six in the Pulitzer Prize winning series of historical novels about an international spy in the first half of the twentieth century An ambitious and entertaining mix of history adventure and romance Upton Sinclair s Pulitzer Prize winning Lanny Budd novels are a testament to the breathtaking scope of the author s vision and his singular talents as a storyteller Few works of fiction are more fun to read fewer still make history half as clear or as human Time In these three novels as the threat of Nazism grows in the 1930s Lanny progresses from international art dealer to international spy Wide Is the Gate When his arms dealer father strikes a business agreement with Hermann G ring Lanny uses the opportunity and his art world reputation to move easily among the Nazi high command and gather valuable

information he can transmit back to those who are dedicated to the destruction of Nazism and Fascism He s playing a dangerous albeit necessary game which will carry him from Germany to Spain on a life and death mission on the eve of the Spanish Civil War The Presidential Agent In 1937 Lanny s boss from the Paris Peace Conference now one of Roosevelt s top advisors connects him to the president Appointed Presidential Agent 103 he embarks on a secret assignment that takes him back into the Third Reich as the Allied powers prepare to cede Czechoslovakia to Adolf Hitler in a futile attempt to avoid war But Lanny s motivations are not just political The woman he loves has fallen into the brutal hands of the Gestapo and Lanny will risk everything to save her Dragon Harvest Lanny has earned the trust of Adolf Hitler and his inner circle who are convinced the American art dealer is a true believer committed to their Fascist cause But when Roosevelt s secret agent learns of the F hrer s plans for conquest his dire warnings to Neville Chamberlain and other reluctant European leaders fall on deaf ears The bitter seeds sown decades earlier with the Treaty of Versailles are now bearing fruit and there will be no stopping the Nazi war machine as it rolls relentlessly on toward Paris
