

# Monopoly

## HOW TO WIN

BE THE **FIRST** PLAYER TO COLLECT 3 FULL PROPERTY SETS OF DIFFERENT COLORS.

AGES  
**8+**

2-5  
PLAYERS

## WHAT THE GAME'S ABOUT

Monopoly Deal is all about collecting properties and stealing from your opponents! Use Action cards to charge rent, swap cards, demand birthday money and lots more. Make sure you put lots of money into your personal bank – and remember other players will steal from you too!

## SET UP

1. Remove the 4 Quick Start Rules cards from the pack and hand them out for reference.
2. Shuffle the rest of the cards together and deal 5 to each player, face down.
3. Look at your cards, but keep them a secret!
4. Put the remaining cards face down in the center to create the **draw pile**.
5. Decide who goes first. Play continues clockwise.

## ON YOUR TURN

### 1. TAKE 2 CARDS

from the draw pile and add them to your hand. Later in the game if you have no cards left, pick up 5 instead.

### 2. PLAY UP TO 3 CARDS

from your hand, onto the table in front of you. You don't have to play any cards if you don't want to. Play your 3 cards in any combination of the following: **A**, **B** and/or **C**, in any order. (see **WHAT THE GAME LOOKS LIKE**, below).

#### **A** PUT MONEY/ACTION CARDS INTO YOUR OWN BANK

Players can charge each other for rent, birthdays etc. Build up a 'Bank' pile in front of you, using Money cards and/or Action cards.

- ◆ If you put an Action card into your Bank, it becomes redundant as an Action card for the rest of the game. If you use it to pay another player, it must go straight into their bank and cannot be used for its Action.

AND/OR

#### **B** PUT DOWN PROPERTIES INTO YOUR OWN COLLECTION

REMEMBER, 3 DIFFERENT-COLORED PROPERTY SETS WIN THE GAME!

- ◆ Lay Property cards down in front of you to build up your Property sets.
- ◆ Each card shows how many properties there are to collect in that color-set.
- ◆ Collect as many properties as you want, but you need **3 full sets** (of different colors) to win the game.
- ◆ You can only reorganize your property collection on your turn. If you realize you've won during someone else's turn, you must wait until it's your turn to say it!

AND/OR

#### **C** PLAY ACTION CARDS INTO THE CENTER

FOLLOW THE INSTRUCTIONS ON THE ACTION CARDS!

- ◆ Action cards allow you to do things such as charge other players rent, steal their cards and demand money for birthday!
- ◆ If you pick up an Action card on your turn, you can play it right away as one of your three cards or use it on a later turn.
- ◆ Action cards can also be put into your bank as money. The value is shown in the corner, in a red ring.

(See **THE CARDS IN MORE DETAIL** for more info).

#### **IMPORTANT! HOW TO PAY OTHER PLAYERS**

- ◆ Cards can **NEVER** go back into a player's hand.
- ◆ **NEVER** pay with cards from your hand, only from the cards in front of you.
- ◆ You can pay with cards from your bank, properties or a combination of both. You choose how you want to pay – not the player you're paying!
- ◆ Change is **not** given! For example, if a player charges you **A\$2M** rent and you only have a **A\$3M** card in your bank, you don't get change. Too Bad!
- ◆ If you pay with property cards, they must go into the other player's property collection.
- ◆ If you have no cards in front of you to pay with, you don't pay at all!

### 3. END YOUR TURN

If you have more than 7 cards in your hand at the **end** of your turn (not including cards on the table) discard extras to the bottom of the draw pile so you only have 7. If you've run out of cards, take 5 at the start of your next turn.

## START PLAYING AND IT'LL ALL BECOME CLEAR!

## WHAT THE GAME LOOKS LIKE

# Monopoly Rules

**Orlando Bump**

## **Monopoly Rules:**

*The Monopoly Guide to Real Estate* Carolyn Janik, 2009-01-06 Carolyn Janik shows how the board game Monopoly is similar to the real world experience of buying and selling property In this guide she introduces the rules and strategies of the real estate marketplace book cover **The Chinese Path of Rule of Law Construction** He Tian, Yanbin Lv, 2021-08-09

This book provides law based governance which is one of the basic policies that underpins our endeavors to uphold and develop socialism with Chinese characteristics in the new era Law is the key to governing the country and the rule of law is an important support for the national governance system and governance capacity Since the 18th National Congress of the CPC China has implemented the four pronged comprehensive strategy and created an unprecedented new situation for law based governance Further progress has been made in ensuring China s legislation is sound law enforcement is strict the administration of justice is impartial and the law is observed by everyone China s efforts to build a country government and society based on the rule of law have been mutually reinforcing the system of distinctively Chinese socialist rule of law has been steadily improved public awareness of the rule of law has risen markedly In recent years China has adhered to the correct handling of the relationship between deepening reform and law based governance ensuring that major reforms are justified by law and providing solid guarantees of the rule of law for reform and opening up China has adhered to combine law based governance of the country and rule based governance over the party and exercised law based governance at every point in the process and over every dimension of full and rigorous governance over the party and has made remarkable achievements in the construction of a clean and honest government and the struggle against corruption **Anti-Cartel**

**Enforcement in a Contemporary Age** Caron Beaton-Wells, Christopher Tran, 2015-09-24 Leniency policies are seen as a revolution in contemporary anti cartel law enforcement Unique to competition law these policies are regarded as essential to detecting punishing and deterring business collusion conduct that subverts competition at national and global levels Featuring contributions from leading scholars practitioners and enforcers from around the world this book probes the almost universal adoption and zealous defence of leniency policies by many competition authorities and others It charts the origins of and impetuses for the leniency movement captures key insights from academic research and practical experience relating to the operation and effectiveness of leniency policies and examines leniency from the perspectives of corporate and individual applicants advisers and authorities The book also explores debates surrounding the intersections between leniency and other crucial elements of the enforcement system such as compensation compliance and criminalisation The rich critical analysis in the book draws on the disciplines of law regulation economics and criminology It makes a substantial and distinctive contribution to the literature on a topic that is highly significant to a wide range of actors in the field of competition law and business regulation generally From the Foreword by Professor Fr d ric Jenny fundamental questions are raised and thoroughly discussed in this book which is undoubtedly the most comprehensive scholarly work on leniency

policies produced so far the book should be required reading for all seeking to acquire a deeper insight into the issues related to leniency policy It is a priceless contribution

**Monopoly Rules** Milind M. Lele, 2005-08-30 Competition is the bane of the free enterprise system Anonymous business mogul What people on the front lines making marketing and selling products and services really want is to be alone in the marketplace to have a space that they own for a long enough period of time so they can make some real money In this short powerful book Milind Lele shows you how Conventional wisdom attributes winning to having the best products at the lowest prices a great brand superior management and the lowest overhead All are obviously of great importance but in actuality anyone can achieve them Dr Lele shows that winning comes from focusing on these monopoly rules What patch of open market space does this business own or could it own Is the space really open or is it wishful thinking Are there enough customers whose needs are not being met and are they willing to spend money to have those needs met How long will this space remain open and why What do you have to do to capture it and wall it off When will the party end and what do we do next For example for many coffee lovers there is no one but Starbucks The moment people found out what coffee could and should taste like it was as if a giant lightbulb went off inside their heads and Starbucks had a monopoly The best monopoly opportunities are situational often soft and intangible They re segments not the mass market and often in the customer s mind For the customer there is no one but you since what you provide can t be easily copied duplicated or ripped off Monopoly Rules couldn t come at a better time as an almost perfect storm seems to be hitting every business Customers are changing and the homogenous mass market has gone the way of the nickel soda Now the game is winning market segments In this world Monopoly Rules provides a new way to think and take action and stay ahead of the game Also available as an eBook
