## **Monstrous Regiment:**

**Monstrous Regiment** Terry Pratchett, 2003-09-30 War has come to Discworld again And to no one's great surprise the conflict centers on the small insufferably arrogant strictly fundamentalist duchy of Borogravia which has long prided itself on its ability to beat up on its neighbors for even the tiniest imagined slight This time however it's Borogravia that's getting its long overdue comeuppance which has left the country severely drained of young men Ever since her brother Paul marched off to battle a year ago Polly Perks has been running The Duchess her family's inn even though the revered national deity Nuggan has decreed that female ownership of a business is an Abomination with among others oysters rocks and the color blue To keep The Duchess in the family Polly must find her missing sibling So she cuts off her hair dons masculine garb and sets out to join him in this man's army Despite her rapid mastery of belching scratching and other macho habits and aided by a well placed pair of socks Polly is afraid that someone will immediately see through her disguise a fear that proves groundless when the recruiting officer the legendary and seemingly ageless Sergeant Jackrum accepts her without question Or perhaps the sergeant is simply too desperate for fresh cannon fodder to discriminate which would explain why a vampire a troll a zombie a religious fanatic and two uncommonly close friends are also eagerly welcomed into the fighting fold But marching off with little real no training Polly now called Oliver finds herself wondering about the myriad peculiarities of her new brothers in arms It would appear that Polly Ozzer Perks is not the only grunt with a secret There is no time to dwell on such matters however Duty calls The battlefield beckons There's a tide to be turned And sometimes in war as in everything else the best man for the job is a woman

**Monstrous Regiment** Terry Pratchett, 2004-08-31 *Monstrous Regiment* Terry Pratchett, 2025-07-08 Wickedly satirical nothing short of brilliant Publishers Weekly starred review New York Times bestselling author Sir Terry Pratchett explores the inanity of war sexual politics and why the best man for the job is often a woman in this acerbically funny and poignant Discworld novel In the small country of Borogravia there are strict rules citizens must follow Women belong in the kitchen not in offices pubs nor pants And certainly not on the front lines when war comes to Discworld Polly Perks took over running her family's humble inn when her brother Paul marched off to war But it's been more than two months since his last letter home and the news from the front is bad To find her missing brother the resourceful Polly cuts off her hair and joins the army as a young man named Oliver As Polly closely guards her secret she notices that her fellow recruits seem to be guarding secrets of their own And before they've learned to properly march Polly and her fellow raw recruits find themselves in the thick of a losing battle All

they have on their side is the most artful sergeant in the army and a vampire with a lust for coffee No matter it s time to make a stand The Discworld novels can be read in any order but **Monstrous Regiment** is a standalone

**Monstrous Regiment** Terry Pratchett,2017-11-28 A sudden burst of nationalism has swept over Polly Perks causing her to cut off her hair don her brother s clothes and join the local regiment so she can fight for her country But there s only one problem she has no idea who she ll be fighting or what she is really fighting for And why do they want her to have a rolled up pair of socks anyway War teaches you a lot she finds when it turns out that you joined the *Monstrous Regiment*

**Monstrous Regiment (Group),** **Monstrous Regiment** Terry Pratchett,2004-08-31 It began as a sudden strange fancy Polly Perks had to become a boy in a hurry Cutting off her hair and wearing trousers was easy Learning to fart and belch in public and walk like an ape took more time And now she s enlisted in the army and searching for her lost brother But there s a war on There s always a war on And Polly and her fellow recruits are suddenly in the thick of it without any training and the enemy is hunting them All they have on their side is the most artful sergeant in the army and a vampire with a lust for coffee Well They have the Secret And as they take the war to the heart of the enemy they have to use all the resources of the *Monstrous Regiment*
