Brooks ADAMS,1936 **Mont-Saint-Michel and Chartres** Henry Brooks Adams,2018-08-04 Mont Saint Michel and Chartres By Henry Brooks Adams One needs only to be old enough in order to be as young as one will From the top of this Abbey Church one looks across the bay to Avranches and towards Coutances and the Cotentin the Constantinus pagus whose shore facing us recalls the coast of New England The relation between the granite of one coast and that of the other may be fanciful but the relation between the people who live on each is as hard and practical a fact as the granite itself When one enters the church one notes first the four great triumphal piers or columns We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Mont-Saint-Michel**

Mont-Saint-Michel and Chartres Henry Adams,2020-04 The relationship between reader and writer of son and father may have existed in Queen Elizabeth s time but is much too close to be true for ours The utmost that any writer could hope of his readers now is that they should consent to regard themselves as nephews and even then he would expect only a more or less civil refusal from most of them Indeed if he had reached a certain age he would have observed that nephews as a social class no longer read at all and that there is only one familiar instance recorded of a nephew who read his uncle The exception tends rather to support the rule since it needed a Macaulay to produce and two volumes to record it Finally the metre does not permit it One may not say Who reads me when I am ashes is my nephew in wishes **Mont-Saint-Michel and**
