The Montessori Controversy John Chattin-McNichols, 1992 A balanced review of the research on the effects of the Montessori school experience strengths and weaknesses of the method its history in the US and new trends Annotation copyrighted by Book News Inc Portland OR Bringing the Montessori Approach to your Early Years Practice Barbara Isaacs, 2008-03-25 Have you ever wondered what the Montessori approach is all about and whether it can be used to benefit the young children in your setting This book will answer all your questions and more It includes details about the Montessori approach examples from specialist Montessori schools and nurseries examples of non specialist settings implementing Montessori principles for the benefit of the children practical activities advice on planning and assessment methods

Theories and Approaches to Learning in the Early Years Linda Miller, Linda Pound, 2010-12-10 By focusing on key figures in early years education and care this book considers the influential thinkers and ground breaking approaches that have revolutionized practice With contributions from leading authorities in the field chapters provide an explanation of the approach an analysis of the theoretical background case studies questions and discussion points to facilitate critical thinking Included are chapters on Froebel Psychoanalytical theories Maria Montessori Steiner Waldorf education High Scope Post modern and post structuralist perspectives Forest Schools Vivian Gussin Paley Te Whatilderiki Written in an accessible style and relevant to all levels of early years courses the book has staggered levels of Further Reading that encourage reflection and promotes progression Linda Miller is Professor Emeritus of Early Years The Open University Linda Pound is a consultant and author renowned for her work in early years education and care *Historical Dictionary of Women's Education in the United States* Linda Eisenmann, 1998-07-17 The history of women s education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women s education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women s educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining

Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading Philosophers and Religious Leaders Christian von Dehsen,2013-09-13 Philosophers and Religious Leaders provides a synopsis of the lives and legacies of 200 men and women from the areas of religion and philosophy who have changed the world These individuals have developed extended or exemplified ideas fundamental to the way human beings perceive the meaning and purpose of their own lives and of their societies Some have challenged prevailing convictions and worked for immediate change during their lifetimes others have proposed new modes of thinking that have flourished only after their passing Intercultural Transfers and the Making of the Modern World, 1800-2000 Thomas Adam,2011-11-29 For far too long the history of the modern era has been written as a history of isolated nation states This book which presents both interpretation and primary source documents challenges a nation centred account exploring the interconnected and interrelated nature of societies in the nineteenth and twentieth century Responding to the burgeoning interest and number of courses in global and world history Intercultural Transfers and the Making of the Modern World introduces both the methods and materials of transnational history Case studies highlight transnational connections through the examples of cooperatives housing reform education eugenics and non violent resistance By embracing the interconnected nature of human history across continents and oceans and by employing the concept of intercultural transfer Adam explores the roots and global distribution of major transformations and their integration into local regional and national contexts This is an invaluable resource for the study of global world and transnational history **The Educational Times, and Journal of the College of Preceptors** ,1915 **The Imagination of Early Childhood Education** Harry Morgan,1999-06-30 Examines historical features of early childhood education and traces major innovations in the field Explores Greco Roman and Judeo Christian influences on the development of education from antiquity through the medieval period and up to the present day Highlights the work of pioneers including Plato Jean Frederic Oberlin Annie Marie Hall founder of one of the first schools for black children Jane Addams Maria Montessori B F Skinner and John Dewey Includes a few historical b w photos and illustrations Morgan is a professor of early childhood education at the State University of West Georgia Annotation copyrighted by Book News Inc Portland OR Educational Times ,1912 Encyclopedia of American Education Harlow G. Unger,1996 **Child-study** ,1913 *Educational Times and Journal of the College of Preceptors* ,1913 **Education Outlook** ,1913 **If Learning Is So Natural, Why Am I Going to School?** Andrew Nikiforuk,1994 Defending Public Schools: Curriculum continuity and change in the 21st century David Gabbard,E. Wayne Ross,2004 The volume addresses such issues as the extent to which public schools are succeeding and the degree to which contemporary criticism is or is not warranted By examining a range of content areas and a variety of philosophical and theoretical concerns this work homes in on the evolution of curricula methods and the forces and ideas that shape the debate Chapters reflect the view that criticism of public schools and teachers is misplaced and

misguided Public schools operate under great stress from the pedagogical and political Left and Right This often results in pressures and restrictions imposed through government mandates and corporate sponsorship that obscures the real issues and successes of America s public schools      *Progressive Education Across the Continents* Hermann Röhrs,1995 The handbook presents the international progressive education or ducation nouvelle as a worldwide movement It includes descriptions of the development of progressive education in and outside Europe and the United States the centres of international progressive education selected models of progressive education and a discussion of the influence of progressive education on educational policies and reforms in different countries      *Learning from the Past* Jennifer Wolfe,2000      **The Academy and Literature** ,1914      **McClure's Magazine** ,1913      *The Academy* ,1914
