The Rise of Popular Literacy in Victorian England David Mitch,2016-11-11 In early Victorian England there was an intense debate about whether government involvement in the provision of popular elementary education was appropriate Government did in the end become actively involved first in the administration of schools and in the supervision of instruction then in establishing and administering compulsory schooling laws After a century of stagnation literacy rates rose markedly While increasing government involvement would seem to provide the most obvious explanation for this rise David F Mitch seeks to demonstrate that in fact popular demand was also an important force behind the growth in literacy Although previous studies have looked at public policy in detail and although a few have considered popular demand The Rise of Popular Literacy in Victorian England is the first book to bring together a detailed examination of the two sets of factors Mitch compares the relative importance of the rise of popular demand for literacy and the development of educational policy measures by the church and state as contributing factors that led to the rise of working class literacy during the Victorian period He uses an economic historical approach based on an examination of changes in the costs and benefits of acquiring literacy Mitch considers the initial demand of the working classes for literacy and how much that demand grew He also examines how literacy rates were influenced by the development of a national system of elementary school provision and by the establishment of compulsory schooling laws Mitch uses quantitative methods and evidence as well as more traditional historical sources such as government reports employment ads and contemporary literature An important reference is a national sample of over 8 000 marriage certificates from the mid Victorian period that provides information on the ability of brides and grooms to sign their names The Rise of Popular Literacy in Victorian England is a valuable text for students and scholars of British economic and labor history history of literacy and education and popular culture **Too Tempting to Resist** Erica Ridley,2019-11-13 A second chances witty feel good romance from a New York Times bestselling author When the new heir inherits a castle poor relation Miss Rebecca Bond must wed immediately or be out on her ear The only man she ever loved is summoned to hear the will but their past ended so badly that they haven't spoken in years Yet who better than a heartless rake to teach her how to snare a gentleman who appreciates her charms Daniel Godwin Lord Stonebury regrets nothing more than losing the one woman who treated him like a man not a title Fate has given him the perfect pretext to win her trust even if it means watching her wed someone else But now that she's back in his life he'll do anything to convince her to choose him instead A prior edition was published as *Romancing the Rogue* The Complete Book of Oscar Fashion Reeve Chace,2003 Chace presents insider fashion gossip and expert style analysis on hundreds of amazing gowns seen at the Academy Awards through history Hardcover with velvet wrap 500 photos **The Publishers Weekly** ,1972 Kiplinger's

Personal Finance ,1977-12 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Too Wanton to Wed** Erica Ridley,2019-11-20 A sensual emotional historical romance from a New York Times bestselling author TRAPPED IN DARKNESS Violet Whitechapel committed an unspeakable crime to save a child To escape the hangman s noose she takes refuge in a crumbling abbey with secrets darker than her own When its master offers her a temporary post Violet cannot say no Just as she begins to see him in a new light her past catches up to her and endangers them all THEIR PASSION BURNS BRIGHT Alistair Waldegrave keeps his daughter imprisoned in the black heart of his Gothic abbey As he searches for a cure to the disease the villagers call demonic his new governess brings much needed light into their lives But how can the passion between them survive the darkness encroaching from outside their sheltered walls A prior edition was published as Dark Surrender Too Brazen to Bite Erica Ridley,2020-10-23 A hidden secrets forbidden lovers romance from a New York Times bestselling author In this gothic castle even a woman of science isn t immune to the charms of a wickedly handsome dangerously sexy vampire The devilishly seductive irresistibly rakish Mr Macane is ravishing all the ladies of the ton despite the fact that he is penniless untitled and believed to be a vampire Hired to disprove such an absurd claim the skeptical Miss Elspeth Ramsay does not expect to tremble in his presence until the graze of his teeth on her neck ignites an appetite of her own and she finds herself biting him back Surely this sudden bloodlust can only mean danger for her family and her heart or a love for eternity This is a revised second edition of Never Been Bitten previously published in the Born to Bite anthology
