## Lord Of Emperors Ii:

*Lord of Emperors* Guy Gavriel Kay, 2016-10-04 In this concluding volume of the two part Sarantine Mosaic Guy Gavriel Kay brilliantly merges his dramatic homage to Byzantine with a moving meditation on art and power and the eternal human struggle to leave a legacy Sarantium is the golden city holy to the faithful jewel of the world The western mosaicist Crispin has arrived in the glittering capital to begin work inside a grand sanctuary Confronting the challenges of his art high on the scaffolding of destiny he discovers that no one can withdraw from the dangerous affairs of court and city For Rustem a physician from the east a fateful moment as he saves the life of his own king sends him on a course toward the opulence of Sarantium Reluctantly he finds himself drawn into a web of intrigue to discover that his own path will have to go far beyond that of a healer

**Lord of Emperors** Guy Gavriel Kay, 2000 *The Crusade of Frederick Barbarossa* Frederick I (Holy Roman Emperor), 2013-05-31 This is the first English translation of the main contemporary accounts of the Crusade and death of the German Emperor Frederick I Barbarossa ruled 1152-90 The principal text here the History of the Expedition of the Emperor Frederick was written soon after the events described and is a crucial and much

under used source for the Third Crusade It narrates the preparations and recruitment for the Crusade and the Crusade itself the journey through the Balkans and the gruelling march through Asia Minor beset by Turkish attack until its arrival at Antioch on 21st July 1190 eleven days after the emperor had drowned while crossing a river in Cilician Armenia The History gives a vivid account of the sufferings of the German army as it traversed Asia Minor and appears to be or to be based upon an eyewitness record cast in the form of often a daily memoir A number of subsidiary texts also translated illustrate and expand this main account and place the crusade in context **The Histories of a Medieval German City, Worms c.**

**1000-c. 1300** David S. Bachrach, 2016-03-03 Germany was the most powerful kingdom in the medieval West from the mid tenth to the mid thirteenth century However its history remains largely unknown outside of the German speaking regions of modern Europe Until recently almost all of the sources for medieval Germany were available only in the original Latin or in German translations while most scholarly investigation has been in German The limited English language scholarship has focused on royal politics and the aristocracy Even today English speaking students will find very little about the lower social orders or Germany's urban centers that came to play an increasingly important role in the social economic political religious and military life of the German kingdom after the turn of the millennium The translation of the four texts in this volume is intended to help fill these lacunae They focus on the city of Worms in the period c 1000 to c 1300 From them readers can follow developments in this city over a period of almost three centuries from the perspective of writers who lived there gaining insights about the lives of both rich and poor Christian and Jew No other city in Germany provides a similar opportunity for comparison of changes over time As important Worms was an early adopter of new political economic institutional and military traditions which would later become normative for cities throughout the German kingdom Worms was one of the first cities to develop as a center of episcopal power it was also one of the first to develop an independent urban government and was precocious in emerging as a de facto city state in the mid thirteenth century These political developments with their concomitant social economic and military consequences would define urban life throughout the German kingdom In sum the history of Worms as told in the narrative sources in this volume can be understood as illuminating the broader urban history of the German kingdom at the height **The Foreign Office List** Great Britain.
