Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God's Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him      **The Island of Avalon: Volume 2** Francis Lot, 2015-06-16 Much of the legendary material concerning King Arthur and Joseph of Arimathea's association with Glastonbury is derived from the interpolations into William of Malmesbury's investigation into the Antiquity of Glastonbury *De Antiquitate Glastonie Ecclesie* However it is William of Malmesbury's mention of the Island of Ineswitrin donated to Glastonbury in 601AD by a king of Devon and this same island's association to the Isle of Ictis discovered by Pytheas from which tin was sold to the Phoenicians which links the island to Burgh Island in Devon Melkin's prophecy indicates that Joseph of Arimathea is buried on Avalon It is the geometric decryption of Melkin's prophecy which shows us that Joseph of Arimathea known as a tin merchant in Cornish legend is still buried on Burgh Island along with the enigmatic duo fassula      **The Banner of Israel**, 1924      **The Commentary on the Long Lost Chapter of the Acts of the Apostles**,      **Notes and Queries**, 1929      [The Long Lost Chapter of the Acts of the Apostles, Containing the Account of Paul's Journey in Spain and Britain ... respected authorities on the subject and states controversial opinions openly Its main conclusion is that the New Testament the new law was created by a powerful senatorial family called the Calpurnius Pisos who had the full support of their relatives the Herodian royal family the family of Herod the Great and the Flavian emperors with the Piso family hiding their name within the Koine Greek scriptures The result is a book that is both provocative and compelling Using valuable feedback from Cambridge and Oxford University professors Henry Davis explains why the supposed Jewish Historian Flavius Josephus never existed how the Book of Revelation presents the name of the Piso family member who oversaw the creation of the Christian scripture and the reason the number 666 was changed to 616 Davis also explains the facts behind the personal and political reasons that led to the Roman and Jewish royal families creating a new religion and how the Piso family used the literary techniques of the aristocracy to insert their names into the scriptures I found his selection of evidence to be both interesting and compelling Creating Christianity A Weapon Of Ancient Rome is a thoughtful work of historical non fiction by author Henry Davis Anyone with a knowledge of the history of the Roman Empire knows that its conversion from a pagan belief system to widespread Christianity was a significant political and military move for the Empire as much as it was a religious decision and this book focuses on the specific details and clues as to how that really came about Davis searches for the real identity of the Christian Messiah and argues for a potentially Roman author of the modern New Testament one who had a view to creating a new religion for his own reasons as much as those of Rome Readers Favorite [Catalogue of Printed Books](#) British Museum,1893      **The Commentary on the Long Lost Chapter of the Acts of the Apostles: Containing Corroborative Proofs and References to Existing Facts in Connection with the Great Cross Lake in Switzerland, Etc.
