

LOST POEMS

One Art

The art of losing isn't hard to master;
so many things seem filled with the intent

Lost

Lost in a world, that scares me to death,
Lost in a crowd, I'm losing my breath.

And Nothing Is Ever As You Want It To Be

You lose your love for her and then
It is her who is lost,

I Am Not Yours

I am not yours, not lost in you,
Not lost, although I long to be

Any Soul That Drank The Nectar

Any soul that drank the nectar of your passion was lifted.
From that water of life he is in a state of elation.

A Door Just Opened On A Street

A door just opened on a street-
I, lost, was passing by-

A Stone I Died

A stone I died and rose again a plant;
A plant I died and rose an animal;

Fauna's Lost And Found!

To purses of leather
one lost its skin

Lost Poems

Stuart Y. Silverstein

Lost Poems:

The Names of the Lost Philip Levine, 1976 **Not Till We Are Lost** William Wenthe, 2003-10-31 William Wenthe's second collection of poetry is a personal amplification of a passage from Henry Thoreau's *Walden* Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual *Not Till We Are Lost* strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge **Last and Lost Poems** Delmore Schwartz, 2011 **Not Much Fun** Stuart Y. Silverstein, 2001-07-10 The 122 poems gathered here display the raw talent and verbal acuity that Parker one of America's most celebrated wits was known for *The Lost Poems* Thomas L. Mcrae, 2010-08 This book has everything and any thing a true poet lover could ever need It has a deep sense of style and grace As well as harmony **What Was Lost** Herbert Morris, 2000-03-16 In this collection Herbert Morris gathers 15 poems in his two signature modes the dramatic monologue and the meditative reverie His subjects include a resplendent apricot gown once worn by Lillian Gish Chaplin enthralled Griffith smitten ecstatic a poignant human detail in Caravaggio's *The Sacrifice of Isaac* and a host of variations on the Peaceable Kingdom the obsessive lifework of the painter Edward Hicks **The Collected Lost Poems** Stuart Silverman, 2001-09-15 This is the first collection of poetry from one of America's most gifted and award winning poets *Last and Lost Poems* Delmore Schwartz, 1989 **The Lost Faces** Roderick Jellema, 1979 **Lost Last Poems** Shannon Gramse, 2025-05-10 Reading Shannon Gramse's *Lost Last Poems* I found myself engaged amused unsettled and haunted pulled ever deeper into a familiar world oddly displaced from the familiar with the offset of that strange distance changing the light so that things I already knew felt startlingly original This is a complete and cohesive single work not just a collection It doesn't let go not even long after you put it down Charles Wohlforth author of *The Fate of Nature* **Lost Poems** Lisa Malinowski Steinman, 1976 The Compendium of Lost Poems Caitlin M. S. Buxbaum, 2019-05-06 This is the fourth book of personal poetry by Alaskan author Caitlin M S Buxbaum If you enjoy free verse and rhythmic poetry on senses secrets places choices or philosophical observations this book is for you **The Collected Poems of Delmore Schwartz** Delmore Schwartz, 2024-04-02 The first complete collection of the poetry of Delmore Schwartz the most underrated poet of the

twentieth century John Berryman When Delmore Schwartz published his first short story In Dreams Begin Responsibilities in Partisan Review in 1937 he became an instant literary celebrity After the appearance of his first book by the same name he was inundated with praise The famed poet Allen Tate wrote to him Your poetic style is beyond any doubt the first real innovation that we've had since Eliot and Pound and T S Eliot himself wrote Schwartz a letter asking him to compose more poetry The brilliant start of his career is matched perhaps only by its tragic end a lonely death after an extended period of alcoholism depression and derangement Today more than fifty years after his death in 1966 Schwartz is often remembered for the tragedy of his life rather than for the innovation and sad brilliance of his greatest work This book brings together all of Schwartz's poetry for the very first time from his groundbreaking debut collection to his unpublished late work which he kept writing until his death Accompanied by Ben Mazer's illustrative notes and introduction The Collected Poems of Delmore Schwartz offers readers the long awaited opportunity to rediscover one of the most influential and original poets of the twentieth century As Mazer writes in his introduction It is the poems that count now And it is the glory of the poems that survives here awaiting new life

Poems On The Bus Richard Archer, 2016-09-11 *Poems on the Bus* is the third collection of poetry from Richard Archer The poems in this book came to life on the bus from Walsall to Birmingham and back again Much to the surprise of the fellow passengers Inside discover the perils of commuting in sub zero conditions and just what might have been the contents of your school dinner Read on and discover why people don't queue for the bus anymore and the secret fate that befell your favourite childhood pets This is a collection of poetry that can be enjoyed on your journey to work at home or with a glass of your favourite tipple in the pub

Lost Poems Marc Savett, 2016-10-26 Marc Savett's third book of poetry continues the author's exploration of rich themes and perceptive imagery Using simplistic elements such as chocolate mousse to complex ideas of love Savett delves into reality and emotion The poems speak of hope and loss joy and pain Savett's style takes the reader places in the mind and heart but always remain accessible LOST POEMS continues the journey of the poet and the reader that began with CROWS NEST and continued in POEMS

What Gets Lost Doris Henderson, 2009-01-01 *Lost Poems* Joseph Hart, 2018-06-07 **Lost Poems** Tony Lewis-Jones, 2005-01 *What Though the Field Be Lost* Christopher Kempf, 2021-01-27 Based on two years living and researching in Gettysburg Pennsylvania *What Though the Field Be Lost* uses the battlefield there as a way to engage ongoing issues involving race regional identity and the ethics of memory With empathy and humility Kempf reveals the overlapping planes of historical past and public present integrating archival material language from monuments soldiers letters eyewitness accounts of the battle with reflection on present day social and political unrest Here monument protests police shootings and heated battle reenactments expose the ambivalences and evasions involved in the consolidation of national and nationalist identity In *What Though the Field Be Lost* Kempf shows that though the Civil War may be over the field at Gettysburg and all that it stands for remain sharply contested Shuttling between past and present the personal and the public *What Though the Field Be Lost* examines the many pasts that

inhere now and forever in the places we occupy
