Lost Positives:

Word Up! Rob Kyff, 2014-06-15 If you're fascinated by words and language you'll revel in *Word Up: A Lively Look at English* by Rob Kyff. A *Word Guy* Drawn from Kyff's nationally syndicated column on language, this spirited book treats readers to a zesty verbal smorgasbord: handy tips on good writing and usage, fascinating stories behind word and phrase origins, whimsical word play and linguistic oddities. With wit and warmth, *Word Up* explores everything from the split infinitive controversy to apostrophe catastrophes to the true etymology of *hooker*. Each chapter concludes with a quiz that gives you a chance to test your word knowledge. A blend of William Safire and Dave Barry, *Word Up* combines learning and laughter in ways that will surprise and delight you.

What in the Word? Charles Harrington Elster, 2005 Presents a humorous look at the English language including information on word and phrase origins, slang, style, usage, punctuation and pronunciation.

The Columbia Guide to Standard American English Kenneth G. Wilson, 1996-08-30 In the most reliable and readable guide to effective writing for the Americans of today, Wilson answers questions of meaning, grammar, pronunciation, punctuation and spelling in thousands of clear, concise entries. His guide is unique in presenting a systematic, comprehensive view of language as determined by context. Wilson provides a simple chart of contexts from oratorical speech to intimate, from formal writing to informal, and explains in which contexts a particular usage is appropriate and in which it is not. *The Columbia Guide to Standard American English* provides the answers to questions about American English the way no other guide can, with an A-Z format for quick reference. Over five thousand entries, more than any other usage book, sensible and useful advice based on the most current linguistic research, a convenient chart of levels of speech and writing geared to context, both descriptive and prescriptive entries for guidance, guidelines for nonsexist usage, individual entries for all language terms. A vibrant description of how our language is being spoken and written at the end of the twentieth century and how we ourselves can use it most effectively. *The Columbia Guide to Standard American English* is the ideal handbook to language etiquette, friendly, sensible and reliable.

Fry Day Plays & Poems Melanie Tem, 2022-03-15 Over a career of 30 years, Melanie Tem received the Bram Stoker International Horror Guild, British Fantasy and World Fantasy Awards for her writing, which included almost a hundred short stories, twelve solo novels, as well as scripts, poems and storytelling performances. At the time of her death in 2015, she left behind numerous plays, several of which had been produced but none had appeared in print. These plays arguably contain some of the finest writing of her final ten years. *FRY DAY* collects the best of these plays along with a selection of her poetry.
