## **Lost Soldiers:**

**Lost Soldiers** James Webb,2002-08-27 Once in a great while there comes a novel of such emotional impact and acute insight that it forever changes the way a reader sees a nation or an era Writing with an unerring sense of suspense and of history experienced firsthand James Webb takes us on a myth shattering cultural odyssey deep into the heart of contemporary Vietnam with a riveting thriller that tells a love story love for those who perished for family and friends and between a soldier and the land where he had always been ready to die Brandon Condley survived five years of combat as a U S Marine only to lose the woman he loved to an enemy assassin Now he is back in Vietnam working to recover the remains of unknown American soldiers On a routine mission Condley finds a body that doesn t match its dog tags a body that propels him into a vortex of violence and intrigue where past and present become one As the mystery of the dead man unravels a link is revealed to two well known killers Salt and Pepper a pair of treasonous Americans who led a deadly Viet Cong ambush against Condley s own men Galvanized by a fresh trail to these long lost deserters Condley has finally found a purpose Under the auspices of his government job he is going to hunt down the traitors On his own he is going to kill them Condley s hunt cannot be kept secret from his former enemies or his friends And in the shadows that linger from Vietnam s long season of darkness and terror he has no way of knowing which side is more dangerous Surrounding him is an unforgettable cast of characters Dzung Condley s closest friend a South Vietnamese war hero who might have led his country if his side had won the war now reduced to driving a cyclo as his family starves in Saigon s District Four Colonel Pham a battle hardened Viet Cong soldier who lost three children to American bombs Manh a cutthroat Interior Ministry official who blackmails Dzung into a mission of murder The Russian soldier Anatolie Petrushinsky who left his soul in Vietnam as his empire collapsed around him And the beautiful Van Colonel Pham s daughter who spurns the scars of war as she pursues her dreams of freedom As Condley stalks his elusive prey across old battlefields and throughout Eurasia returning always to the brooding streets of Saigon his mission and the odds of his surviving it grow more precarious with each step he takes toward the truth Lost Soldiers captures the Vietnam of past and present its beauty and squalor its politics and people Propelled by a page turning mystery shot through with adventure and intrigue it irrevocably transforms our view of that haunted land and brings us as complete an understanding as we will ever have of what happened after the war and why No writer today is more qualified to take us into that world than James Webb

*Lost Soldiers #2 (of 5)* Ale\_Kot,2020-09-02 The crash **Fallen Soldiers** George L. Mosse,1991-12-12 At the outbreak of the First World War an entire generation of young men charged into battle for what they believed was a glorious cause Over the next four years that cause claimed the lives of some 13 million soldiers more than twice the number killed in all the major wars from 1790 to 1914 But despite this devastating toll the memory of the war was not predominantly of the grim reality of its trench warfare and battlefield carnage What was most remembered by the war s participants was its sacredness and the martyrdom of those who had died for the greater glory of

the fatherland War and the sanctification of it is the subject of this pioneering work by well known European historian George L Mosse Fallen Soldiers offers a profound analysis of what he calls the Myth of the War Experience a vision of war that masks its horror consecrates its memory and ultimately justifies its purpose Beginning with the Napoleonic wars Mosse traces the origins of this myth and its symbols and examines the role of war volunteers in creating and perpetuating it But it was not until World War I when Europeans confronted mass death on an unprecedented scale that the myth gained its widest currency Indeed as Mosse makes clear the need to find a higher meaning in the war became a national obsession Focusing on Germany with examples from England France and Italy Mosse demonstrates how these nations through memorials monuments and military cemeteries honoring the dead as martyrs glorified the war and fostered a popular acceptance of it He shows how the war was further promoted through a process of trivialization in which war toys and souvenirs as well as postcards like those picturing the Easter Bunny on the Western Front softened the war s image in the public mind The Great War ended in 1918 but the Myth of the War Experience continued achieving its most ruthless political effect in Germany in the interwar years There the glorified notion of war played into the militant politics of the Nazi party fueling the belligerent nationalism that led to World War II But that cataclysm would ultimately shatter the myth and in exploring the postwar years Mosse reveals the extent to which the view of death in war and war in general was finally changed In so doing he completes what is likely to become one of the classic studies of modern war and the complex often disturbing nature of human perception and memory    Lost Soldiers #4 (OF 5) Aleš Kot,2020-11-04 Hamburger Hill    Where They Lay Earl

Swift,2003 Chronicles the efforts of the military s Central Identification Laboratory in Hawaii as they search in the jungles of Laos to find and identify the remains of Major Jack Barker whose helicopter went down during the Vietnam War    Lost Soldiers Ale\_ Kot,2021-02-10 Vietnam 1969 Juarez 2009 Three men tied together by the war they left behind on a collision course with the new one As old grievances resurface close to the border the bodies pile up Can the men escape the cycles of violence or will they be swallowed by them again this time forever COLLECTS LOST SOLDIERS 1 5    Lost Soldiers #1 (of 5) Aleš Kot,2020-07-29 Vietnam 1969 Juarez forty years later Three men tied by the war they left behind on collision course with a new one    Lost Soldiers James Webb,19??    **Lost Soldiers** James Webb,2002-08-27 Once in a great while there comes a novel of such emotional impact and acute insight that it forever changes the way a reader sees a nation or an era Writing with an unerring sense of suspense and of history experienced firsthand James Webb takes us on a myth shattering cultural odyssey deep into the heart of contemporary Vietnam with a riveting thriller that tells a love story love for those who perished for family and friends and between a soldier and the land where he had always been ready to die Brandon Condley survived five years of combat as a U S Marine only to lose the woman he loved to an enemy assassin Now he is back in Vietnam working to recover the remains of unknown American soldiers On a routine mission Condley finds a body that doesn t match its dog tags a body that propels him into a vortex of violence and intrigue where past and present become one As the

mystery of the dead man unravels a link is revealed to two well known killers Salt and Pepper a pair of treasonous Americans who led a deadly Viet Cong ambush against Condley s own men Galvanized by a fresh trail to these long lost deserters Condley has finally found a purpose Under the auspices of his government job he is going to hunt down the traitors On his own he is going to kill them Condley s hunt cannot be kept secret from his former enemies or his friends And in the shadows that linger from Vietnam s long season of darkness and terror he has no way of knowing which side is more dangerous Surrounding him is an unforgettable cast of characters Dzung Condley s closest friend a South Vietnamese war hero who might have led his country if his side had won the war now reduced to driving a cyclo as his family starves in Saigon s District Four Colonel Pham a battle hardened Viet Cong soldier who lost three children to American bombs Manh a cutthroat Interior Ministry official who blackmails Dzung into a mission of murder The Russian soldier Anatolie Petrushinsky who left his soul in Vietnam as his empire collapsed around him And the beautiful Van Colonel Pham s daughter who spurns the scars of war as she pursues her dreams of freedom As Condley stalks his elusive prey across old battlefields and throughout Eurasia returning always to the brooding streets of Saigon his mission and the odds of his surviving it grow more precarious with each step he takes toward the truth Lost Soldiers captures the Vietnam of past and present its beauty and squalor its politics and people Propelled by a page turning mystery shot through with adventure and intrigue it irrevocably transforms our view of that haunted land and brings us as complete an understanding as we will ever have of what happened after the war and why No writer today is more qualified to take us into that world than James Webb    **Lost Soldiers #5 (of 5)** Aleš Kot,Heather Moore,2020-12-30 Time destroys everything    **Crisis and Renewal in France, 1918-1962** Kenneth Mouré,Martin S. Alexander,2002 Since 1914 the French state has faced a succession of daunting crises This book showcases significant new scholarship reflecting greater access to French archival sources and focuses on the role of crises in fostering modernisation    **Conscription and Democracy** George Q. Flynn,2001-12-30 Finding the manpower to defend democracy has been a recurring problem Russell Weigley writes The historic preoccupation of the Army s thought in peacetime has been the manpower question how in an unmilitary nation to muster adequate numbers of capable soldiers quickly should war occur When the nature of modern warfare made an all volunteer army inadequate the major Western democracies confronted the dilemma of involuntary military service in a free society The core of this manuscript concerns methods by which France Great Britain and the United States solved the problem and why some solutions were more lasting and effective than others Flynn challenges conventional wisdom that suggests that conscription was inefficient and that it promoted inequality of sacrifice Sharing similar but not identical diplomatic outlooks the three countries discussed here were allies in world wars and in the Cold War and they also confronted the problem of using conscripts to defend colonial interests in an age of decolonization These societies rest upon democratic principles and operating a draft in a democracy raises several unique problems A particular tension develops as a result of adopting forced military service in a polity based on concepts of

individual rights and freedoms Despite the protest and inconsistencies the criticism and waste Flynn reveals that conscription served the three Western democracies well in an historical context proving effective in gathering fighting men and allowing a flexibility to cope and change as problems arose Handbook of Death and Dying Clifton D. Bryant,2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage **Our Paper**,1917 **Lost Soldiers #3 (of 5)** Aleš Kot,2020-10-07 The house where the past goes **Current History** ,1920 **100 Great Battles of the Rebellion** Wesley Potter Kremer,1906 *International Journal of Ethics* ,1916 **Journal of the United States Cavalry Association** ,1917 Parliamentary Debates Australia. Parliament,1920

## **Lost Soldiers** Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Lost Soldiers**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
