## **Lost Bible:**

**The Lost Books of the Bible** William Hone, 2016-11-03 After the writings of the New Testament were selected from the numerous Gospels and Epistles then in existence what became of the books that were rejected by the compilers Apocryphal texts are non canonical books similar to texts of biblical origin written just after Jesus crucifixion Although they are not part of the Scripture these verses are authentic to their time These pages contain among others stories of Jesus as a child and the other miracles that Mary made Lovers of biblical literature will find here obscure but unquestionable origin texts authentic to the time Contained here are several remarkable references to the lives of the Saints the birth of the Virgin her marriage with Joseph the nativity of Jesus and the miracles of his infancy his laboring with Joseph in the carpentry trade and the actions of his followers Mesmerizing and artfully written enjoy these stories that were excluded from Scripture The Lost Books of the Bible helps expand our knowledge of the early Christians and helps us better appreciate the texts that were chosen **Lost**

**Scriptures** Bart D. Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman's Lost Christianities this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul's female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era

*Secrets from the Lost Bible* Kenneth Hanson,Kenneth Hanson, Ph.D.,2004 Ancient scriptures hidden from the world for centuries have begun to receive unprecedented attention Some were found among the ancient library of the Dead Sea Scrolls Others include assorted mystical writings known as Kabbalah and a host of books that never made it into the Bible called the Apocrypha which means hidden and the Pseudepigrapha called false writings by those who suppressed them Additionally there are the Gnostic texts of Nag Hammadi a location in Egypt where a treasure trove of lost books was discovered in the middle of the twentieth century Collectively they comprise the Lost Bible For centuries these manuscripts were systematically suppressed because their liberating messages of individual power and worth challenged the authority and preferred philosophies of political and religious leaders In *Secrets from the Lost Bible* Hebrew scholar Kenneth Hanson discovers common truths within these sacred books truths that humankind seems destined to learn at this stage of our development Hanson uncovers parallels and offers readers a clear interpretation of these sacred writings hidden truths that once grasped can help us get in touch with the creative marrow of the universe

**The Lost Books of the Bible and The Forgotten Books of Eden** Rutherford H Platt, Jr,2021-07-06 The Lost Books of the Bible is a collection of 17th and 18th century English translations of Apocryphal biblical texts by William Wake and Jeremiah Jones which was first gathered together by William Hone and published collectively in 1820 Supposedly these texts were excised from the official biblical canon over the first few centuries of Christianity Included in this collection are various accounts of Jesus his birth and infant life and epistles of various disciples and other biblical figures The Lost Books of Bible is an essential work for students of biblical history which provides depth and historical context for many of the events regarding Jesus life depicted in the New Testament Also included in this volume is *The Forgotten Books of Eden* which includes additional Apocryphal texts regarding Adam and Eve as well as biblical works attributed to Enoch Solomon and others If and for what reason these texts were stricken from the official canon by the fathers of the church is not known however contemporary source material does reliably date many of these texts to at least the 2nd century AD if not earlier thus giving them a provenance that can at the very least assert these documents as important in the development of the biblical canon This edition is printed on premium acid free paper and follows the 1926 editions edited by Rutherford H Platt Jr

**The Lost Books of the Bible** Frank Crane,2011-05 YOU will find between these covers all the ecclesiastical writings of early Christian authorities that are known to exist and yet were omitted from the authorized New Testament They are published here as a matter of record Whether they are canonical or not at least these writings are of very great antiquity Origins are noted in paragraphs at the front of

each book This will enable the reader to form his own conclusions as to the genuineness of the writings These writings are a vivid picture of the minds of men in the post Apostolic period of the Church Discount the statements from the historical viewpoint as you will there remains in these gospels and epistles an earnestness of purpose and zeal to express a message similar to that of our authorized Bible An interesting question naturally arises as to why these writings were cast out in the selection of the material that has come down to us in the authorized version The compilation of the Bible was not an act of any definite occurrence It was a matter complicated and abstruse It was an evolution at the hands of Churchmen of various beliefs and purposes In the formulation of early church doctrines there was dissension personal jealousy intolerance persecution bigotry That out of this welter should have arisen the Bible with its fine inspiration would seem to present a plausible basis for belief in its Divine origin But who can deny that under such vicious and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the authorized Bible must have been omitted The story of the first council of Nice when Arius was commanded by the Bishop of Alexandria to quit his beliefs or be declared a heretic and his writings were ordered destroyed is eloquent of many things that happened Good men were engaged on both sides of the ecclesiastical controversies

John Bigelow, 2017-09-17 Excerpt from The Bible That Was Lost and Is Found It was in the spring of 191 I that I went to Mr Bigelow and asked him for the sake of the good that might be accomplished to allow me to edit this present volume I urged that at the time when the tercentenary of the Authorized Version of our English Bible was being celebrated it was peculiarly fitting that he should make public his testimony as to how the Bible had been established for him as the veritable Word of God He listened to me patiently as I tried to persuade him that the narration of his religious experiences might be helpful to many outside of his own immediate circle of friends He was unfeignedly modest on this point but he promised to consider the matter A few days later he wrote that he felt he had no right to withhold anything that might prove useful and that he would leave the matter entirely in my hands He sent me a copy of his Bible That Was Lost and Is Found in which he had indicated changes and additions that should be made and with it a large number of letters from friends who had received copies of the original edition In his characteristic way he said that he felt I was entitled to any assistance he could place at my disposal inasmuch as I was willing to act as a midwife in the birth of this new progeny About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Bible](#)
