Lost Leader

United States. Congress Senate

Lost Leader:

Labour's Lost Leader Paul Tyler, 2007-06-29 The life story of Will Crooks has a Dickensian resonance As a working class child born into abject poverty he experienced the rigours of Poplar Workhouse and Poor Law school Nearly forty years later Crooks became Chairman of the Poplar Board of Guardians the very board that had given him shelter during his challenging early years Crooks was a member of the Coopers Union for fifty five years and a leading pioneer of the trade union and Labour movement for over thirty This significant and sometimes controversial figure has been overlooked by modern historians Here Paul Tyler presents a pioneering political biography of a significant Labour figure at both a local and national level and an important reinterpretation of the early trade union and labour movement from the 1880s to the 1920s **The Lost Leader**, 1972 *A Lost Leader* Edward Phillips Oppenheim, 2020-12-14 **Hearings** United States. Congress Senate, 1938 The Lost Leader Hugh I'Anson Fausset, 1966 **Hearings** United States. Congress. Senate. Committee on Commerce, 1958 Long-and-short-haul Charges United States. Congress. Senate. Committee on Interstate Commerce, 1938

A Lost Leader Edward Phillips Oppenheimer, 2021-11-11 A political mystery from prolific author E Phillips Oppenheim A Lost Leader follows the fortunes of former Liberal politician Lawrence Mannering Content with his retired life in the country his former colleagues require his talent for the future good of the party Blackmail proves to be the only way to bring Mannering back into the political fold in London A story full of political intrigue suspense and mystery A Lost Leader also provides a fascinating insight into the world of early 20th century British politics E Phillips Oppenheim 1866 1946 was a hugely prolific and highly popular British author of novels and short stories Born in Tottenham London Oppenheim left school as a teenager and worked for his leather merchant father for 20 years prior to launching his literary career Oppenheim published five novels under the pseudonym Anthony Partridge before establishing his reputation as a writer under his own name An internationally successful author Oppenheim s stories revolved mainly around glamorous characters luxurious settings and themes of espionage suspense and crime He is widely regarded as one of the earliest pioneers of the thriller and spy fiction genre as it is recognised today Oppenheim s incredible literary success meant that his own life soon began to mirror that of his opulent characters He held lavish Gatsby style parties at his French Villa and was rumoured to have had frequent love affairs aboard his luxury yacht Oppenheim s success earned him the cover of Time magazine in 1927 Some of his most well known novels include The Great Impersonation The Long Arm of Mannister and The Moving Finger **A Lost Leader**, 2005 In The Shadow of Mandela Alexander Johnston, 2019-12-12 This outstanding and original work goes to the heart of South Africa s political problems doubts as to the sustainability of the post apartheid settlement beset with divisions in the ruling ANC factionalism corruption and the widening of fault lines in state and society The leadership issue has become key and this will be the first specific examination of leadership in the light of Mandela s legacy and its effect on his successor as potential and actual leaders all in the shadow of Mandela as the architect of the transition from apartheid to

democracy and with overarching moral authority and international reputation Alexander Johnston shows how his successors are judged against Mandela's achievements including the potentially impressive lost leaders and concentrating on his immediate successors Thabo Mbeki and Jacob Zuma The book concludes with an in depth assessment of new president Cyril Ramaphosa's potential to be a leader for a new dawn This is an objective and critical work by a close observer who acknowledges the achievement of South African leadership but is acutely aware of the doubts as to the sustainability of South Africa's hard won democratic settlement An essential read for all readers interested in leadership and in the traumatic history and future of Africa's leading state as the continent rises to global importance **The Lost Leader; a Study of**
