## **Lost Souls:**

*Lost Souls* Samuel G. Mobley, 2019-08-05 *Lost Souls* is written to inspire teach and be a light in a darkened world Its priority is to lead others to a right relationship with Christ This book is written in a way to inspire you lift you up and bring you to a closer relationship with our Lord and Savior Jesus Christ These poems were written by Samuel G Mobley through the inspiration of the Holy Spirit They were written to make each and every one realize that life has challenges and that we must make good choices to achieve the right results *Out for Blood* Bastion Press, 2003-10-05 **100 Chakra System** Raven Shamballa, 2019-07-23 The 100 Chakra System is a revolutionary spiritual work When all 7 chakras are open and flowing you are functioning at optimal When you are cleared up to the 100th chakra you are illuminated with Divine light and on the path of Ascension Raven defines the anatomy of the energy body which includes 100 chakras and the anatomy of the Lightbody which contains our Higherself New concepts are discussed like the differences between opened and closed chakras and the concept of negative energies Raven defines types of negative energies that can disrupt energy flow in chakra system Raven introduces psychic development and how to open spiritual gifts She speaks about the differences between clearing the chakras and meditation In order to channel one s guides the spiritual chakra need to be activated and the 100 chakras need to be cleared Negative Energy Release Work is a style of pranic healing taught by Raven which is introduced here The self healing section provides a self study course for you to start your own energy healing practice The 100 Chakra System book is the foundation work for Raven s psychic development courses and introduces concepts that are explored in her work **Solariad** Surazeus Astarius, 2017-10-15 *Solariad* of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 *The Turn to Gruesomeness in American Horror Films, 1931-1936* Jon Towlson, 2016-09-12 Critics have traditionally characterized classic horror by its use of shadow and suggestion Yet the graphic nature of early 1930s films only came to light in the home video DVD era Along with gangster movies and sex pictures horror films drew audiences during the Great Depression with sensational content Exploiting a loophole in the Hays Code which made no provision for on screen gruesomeness studios produced remarkably explicit films that were recut when the Code was more rigidly enforced from 1934 This led to a modern misperception that classic horror was intended to be safe and reassuring to audiences The author examines the 1931 to 1936 happy ending horror in relation to industry practices and censorship Early works like *Murders in the Rue Morgue* 1932 and *The Raven* 1935 may be more akin to *The Texas Chain Saw Massacre* 1974 and *Hostel* 2005 than many critics believe **All Y'all** Heidi Siegrist, 2024-11-12 The South is often perceived as a haunted place in its region s literature one that is strange deviant or queer The peculiar often sexually charged literary worlds of contemporary writers like Fannie Flagg Monique Truong and Randall Kenan speak to this connection between queerness and the South Heidi Siegrist explores the boundaries of negotiating place and sexuality by using the concept of Southernness a purposefully fluid

idea of the South that extends beyond simple geography eschewing familiar ideas of the Southern canon When the connection between queerness and Southernness becomes apparent Siegrist shows a Southern branded queer deviance can not only change the way we think about literature but can also change Southern queer people s lived experiences Siegrist gathers a bevy of undertheorized writers from Kenan and Truong to Dorothy Allison and even George R R Martin showing that there are many queer Souths Siegrist offers these multiverses as a way to appreciate a place that is often unfriendly even deadly to queer people But as Siegrist argues none of these Souths from the terrestrial to the imaginary would be what they are without the influence and power of queer literature

**Lost Souls** Poppy Brite,1993-09-10 Vampires they ache they love they thirst for the forbidden They are your friends and lovers and your worst fears A major new voice in horror fiction an electric style and no shortage of nerve Booklist At a club in Missing Mile N C the children of the night gather dressed in black look for acceptance Among them are Ghost who sees what others do not Ann longing for love and Jason whose real name is Nothing newly awakened to an ancient deathless truth about his father and himself Others are coming to Missing Mile tonight Three beautiful hip vagabonds Molochai Twig and the seductive Zillah whose eyes are as green as limes are on their own lost journey slaking their ancient thirst for blood looking for supple young flesh They find it in Nothing and Ann leading them on a mad illicit road trip south to New Orleans Over miles of dark highway Ghost pursues his powers guiding him on a journey to reach his destiny to save Ann from her new companions to save Nothing from himself An important and original work a gritty highly literate blend of brutality and sentiment hope and despair Science Fiction Chronicle
