The Silver Madonna and Other Tales of America's Greatest Lost Treasures

W.C. Jameson, 2013-07-12 The twenty four tales in this book are of the most famous lost treasures in America from a two foot statue reportedly made entirely of silver the Madonna and a cache of gold silver and jewelry that was rumored to also contain the first Bible in America to seventeen tons of gold its value equal to the treasury of a mid sized nation buried somewhere in northwestern New Mexico What makes these tales even more compelling is that none of these known to be lost treasures have been discovered although modern detecting technology has made them eminently discoverable
