Mommys Monster:

Moms, Monsters, Media & Margaritas Angela Williams Glenn, 2014-06-02 *Moms Monsters Media Margaritas* examines the perceptions and expectations of motherhood in our 21st Century digital world Today's social media world can send today's mother on a chase of supermom and leave her with moments of doubt and guilt for her choices and abilities Each mother walks her own path with her children Through a look at the different factors and influences of today's world on motherhood *Moms Monsters Media Margaritas* will leave you with a humorous and inspirational look at the individual journey of motherhood that takes each of us from the girl we were to the woman we become Mommy and the Maverick Meg Maxwell, 2017-08-01 And Daddy Makes Five Rust Creek Ramblings In a town as small as Rust Creek Falls it would be hard not to notice the new millionaire on Main Street even if he wasn't drop dead gorgeous But bachelor Autry Jones does not disappoint he's every bit as handsome as his settled down brothers Walker and Hudson However this business minded CEO not only shies away from commitment he's also heading for Paris in a month So why is he keeping company with Marissa Fuller a young widow with three daughters Marissa and Autry have made a no strings just friends agreement but Abby Kiera and Kaylee clearly have other ideas Can a dedicated tycoon find happiness with a mom and her kids We here at the Gazette are hopeful Some contracts were made to be broken The Mommy Monster Jackie Smith Ph. D., 2019-10-16 As any parent will attest children grow up all too rapidly Part of this journey begins when they start trying to assert their independence Perhaps trying to manipulate a later bedtime their ability to choose their own clothing or food or being allowed to help make some of the rules This delightful story is about two brothers who decide mommy's kisses are for babies and they are too grown up for such things They no longer want to be kissed goodnight or goodbye Their mother comes up with an idea in which she can still get kisses from the boys without labeling them as babies and allowing them to feel they are more grown up Her solution turns getting her kisses into a fun game the boys enjoy and look forward to even carrying it forward to when they have their own children someday Who knew a Mommy Monster could someday turn into a Daddy Monster **Mommy Angst** Ann C. Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of *Gilmore Girls* influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election *Mommy Angst Motherhood in American Popular Culture* considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media *Mommy Angst* gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many

sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more **Entertaining Mommy?** Gemma,2023-01-30 Was I chasing something Or was I running Never understanding the fears voices visions or even my nightmares I thought I was a sane normal human being living a good life Having my only worries of not achieving love except that of my children s The stories my siblings told as we became adults Who were they talking about Neglect abuse That was not me No hint of what they told felt real I went home every time to cry never understanding why I could not remember Making excuses to stay away from them all as much as possible Until my accident My head What is happening to me I cannot collect my thoughts stop the flashes A young child abused beaten neglected who could she be I needed help She let me listen as I woke from a lull of sleep Horrid secrets of a childhood That can t be my voice This cannot be true I screamed at her How could I forget such tragedy What could be wrong with me I cried Did she really do this all for fun Was it all entertaining for her What will I find out next What else could she have done to me To us all
