## Moms Health Matters:

Life Interrupted Tricia Goyer,2010-05-11 One day you're a typical student You're working part time at McDonald's to pay for your clothes and car The next day you're a mother to be You're confused and scared Emotional and standoffish You feel like a kid but now with a huge responsibility How could your life change so fast Your youth wasn't supposed to be packed with worries and obligations Lamaze classes and daycare choices and you've still got work and school to deal with Whatever happened to fun friendships and dating You'd do anything for your baby but what about you What about your needs Sharing stories from her own experience as a teenage mom and from other young mothers Tricia Goyer shows you what to do about meeting nine basic needs that all young moms have Needs such as the need to be appreciated the need to know your life is not at a dead end and the need to be loved In Life Interrupted you'll meet lots of young moms just like you You'll also meet God who cares about you very much     *Lesbian Health Matters* Mary O'Donnell,1979     *Unknown Mom* L.P.

Kurtz,2018-04-01

Millions of mothers are born each year From the moment a baby is born the world seems to focus on childcare but what about mothercare Enter Dayna Kurtz the brains behind Huffington Post's Mother Matters blog From postpartum depression and baby blues to healing meals and postnatal exercise Kurtz guides new and veteran mothers alike through the best practices to care for themselves during their first year of motherhood Her unique approach also includes less common methods like acupressure expressive arts therapy and more to help mothers boost their mental health and reclaim their identity Backed by irrefutable research and personal anecdotes Mother Matters is the guide every mother needs to not only survive but thrive     **Directory** ,2010     Mom Rage Minna Dubin,2023-09-19 A frank feminist examination of the hidden crisis of rage facing American mothers and how we can fix it Mothers aren't supposed to be angry Still Minna Dubin was an angry mom exhausted by the grueling thankless work of full time parenting and feeling her career slip away she would find herself screaming at her child or exploding at her husband When Dubin pushed past her shame and talked with other mothers about how she was feeling she realized that she was far from alone Mom Rage is Dubin's groundbreaking work of reportage about an unspoken crisis of anger sweeping the country and the world She finds that while a specific instance of rage might be triggered by something as simple as a child who won't tie her shoes the roots of the anger go far deeper from the unequal burden of childcare shouldered by moms to the flattening of women's identities once they have kids Drawing on insights from moms across the spectrum of race sexual orientation and class she offers practical tools to help readers disarm

their rage in the moment while never losing sight of the broader social change we need to stop raging for good
