Mona Lisa Caper:

The Mona Lisa Caper Rick Jacobson, 2005-06-07 The Mona Lisa Caper is based on true events that began to unfold on Monday August 21 1911 when Vincenzo Perugia shocked the world by stealing the most famous of the many treasures in the Louvre Though Vincenzo was a thief he meant well He simply wanted to return the painting to the Italian people in the mistaken belief that it had been stolen from them Eventually inevitably Vincenzo was captured in Florence and put on trial Italians gave him their hearts for his patriotism In fact he received so much food wine clothing and furniture that he had to be moved to a larger cell Throughout Rick Jacobson's lively text Mona Lisa herself narrates the story of her trip back to the city of her creation The playful art Rick has painted along with his wife Laura Fernandez heightens the fun Not only is it Keystone Cops funny it is a sound introduction to the painting that continues to delight amaze and mystify hundreds of years after Leonardo da Vinci's death

The Da Vinci Mona Lisa Caper A. U. Pendragon, 2009-09 The Da Vinci Mona Lisa Caper is the exciting action packed high octane story of a British thief who is on a mission to commit a daring heist to save a French national treasure by stealing the Mona Lisa painting by Leonardo da Vinci before a mercenary international art thief gets to it first This action adventure book takes the reader from the United States to London England to various locations in Paris France including the Louvre where the priceless masterpiece is kept on public display protected by armed guards and state of the art security systems At stake are hundreds of millions of dollars in art and the fate of one of the world's historical national treasures

[Vanished Smile](#) R.A. Scotti, 2009-04-07 On August 21 1911 the unfathomable happened Leonardo da Vinci's Mona Lisa vanished from the Louvre More than twenty four hours passed before museum officials realized she was gone The prime suspects were as shocking as the crime Pablo Picasso and Guillaume Apollinaire young provocateurs of a new art As French detectives using the latest methods of criminology including fingerprinting tried to trace the thieves a burgeoning international media hyped news of the heist No story captured the imagination of the world quite like this one Thousands flocked to the Louvre to see the empty space where the painting had hung They mourned as if Mona Lisa were a lost loved one left flowers and notes and set new attendance records For more than two years Mona Lisa's absence haunted the art world provoking the question Was she lost forever A century

later questions still linger Part love story part mystery Vanished Smile reopens the case of the most audacious and perplexing art theft ever committed R A Scotti s riveting ingeniously realized account is itself a masterly portrait of a world in transition Combining her skills as a historian and a novelist Scotti turns the tantalizing clues into a story of the painting s transformation into the most familiar and lasting icon of all time **Uncle John's True Crime Bathroom Readers'** Institute,2012-09-01 A collection of strange but true crime tales featuring cops lawyers and some very unusual suspects The fact finding folks at Bathroom Readers Institute have rounded up the best cops and robber articles we ve ever done plus a rogues gallery of new offenders You ll read about dumb crooks and criminal masterminds mafia henchmen and low level goons ancient warriors and Old West gunslingers crazed cops and jovial judges and even a few loony lawyers and crooked Wall Street types Find out about New York City s Mad Bomber The Biddle Brothers and the Queen of the Jail Law and Order Special Pants Unit Dopes who hide their dope in the strangest places America s first private eye NASCAR s bootlegging beginnings The real pirates of the Caribbean Why CSI makes the cops job even harder Billy the Kid and other outlaws who died with their boots on George Luger Samuel Colt and other fathers of guns The greatest train robberies Arrested for farting And much more Getting Started William Weintraub,2011-03-04 With letters from Mordecai Richler Mavis Gallant and Brian Moore Getting Started is a wonderful memoir a collection of extraordinary letters and a brilliant recreation of a time when Canadian writers were set to make their mark in the world for the first time Writer Brian Moore emigrated from Ireland to Canada in the late 1940s and found work at the Montreal Gazette where he also found William Weintraub embarking upon a career as a freelance journalist When he travelled to Paris Weintraub saw an old friend and former Gazette writer Mavis Gallant who filled him in on the tribulations of the expatriate writer s life My room is enormous and the radiator very small indeed Gallant introduced Weintraub to another Montreal writer Mordecai Richler also pursuing a career as a novelist while living a gloriously Bohemian life Weintraub joined Richler for a while in Ibiza he later introduced him to Brian Moore and later they kept in touch Dear Bill I got your highly unintellectual letter yesterday and it confirmed my suspicions that you slipped a chair under your arse in the Deux Magots as soon as you arrived in Paris and probably haven t moved since In these years Gallant had her short stories published for the first time in the New Yorker Moore methodically churned out money making thrillers while working on The Lonely Passion of Judith Hearne and Richler wrote his first acclaimed book The Acrobats Weintraub meanwhile returned to Montreal where he saw published his brilliant comic novel Why Rock the Boat William Weintraub weaves together his own memories of the 1950s with letters both to and from his literary colleagues The letters and his recollections are always fascinating often hilarious and provide intimate insight into the lives and work of some of Canada s finest contemporary writers **Robberies** Ann Weil,2007 Who stole the Mona Lisa Why would a diamond thief need a bulldozer This title uses the nonfiction genre recount for a fun exploration of high profile robberies in recent history from art theft to bank heists **The Day They Stole the Mona Lisa** Seymour Reit,1981
