War II years when the NFL was fighting for its very existence to the turbulent 1980s and 1990s when labor disputes and off field scandals shook the game to its core and up to the sport's present day preeminence A thoroughly entertaining account of the entire universe of professional football from locker room to boardroom from playing field to press box this is an essential book for any fan of America's favorite sport **Monday Night Mayhem** Marc and Carter Gunter (Bill), 1988 *Time* ,2002
