as obsessed by his love affairs as he was by nature He changed his art decisively three times when the woman at the center of his life changed Wullschl ger brings these unknown passionate and passionately committed women to the foreground Monet s closest friend was Prime Minister Georges Clemenceau strong intellectual currents connected him to writers from Zola to Proust as well as to his friends Manet Renoir and Pissarro Brilliant and absorbing this biography will forever change our understanding of Monet s life and work Claude Monet at the Time of Giverny Claude Monet, Jacqueline

Aspects of Monet John Rewald, Frances Weitzenhoffer, 1984 *Monet's Years at Giverny*, 19?? *Discoveries: Monet* Sylvie Patin, 1993-03-15 A look at the life and work of Claude Monet presents reproductions of his work and discusses his unique techniques his personal life his correspondence and his relationships with other artists Impressionism John I. Clancy, 2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes
