Monster Places:

Tracking Classical Monsters in Popular Culture Liz Gloyd, 2019-10-31 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyd reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that classical monsters have shown and their enormous adaptability in finding places to dwell in popular culture without sacrificing their connection to the ancient world Her argument takes her readers through a comprehensive tour of monsters on film and television from the much loved creations of Ray Harryhausen in *Clash of the Titans* to the monster of the week in *Hercules The Legendary Journeys* before looking in detail at the afterlives of the Medusa and the Minotaur She develops a broad theory of the ancient monster and its life after antiquity investigating its relation to gender genre and space to offer a bold and novel exploration of what keeps drawing us back to these mythical beasts From the siren to the centaur all monster lovers will find something to enjoy in this stimulating and accessible book

Monsters in the Classroom Adam Golub, Heather Richardson Hayton, 2017-03-03 Exploring the pedagogical power of the monstrous this collection of new essays describes innovative teaching strategies that use our cultural fascination with monsters to enhance learning in high school and college courses The contributors discuss the implications of inviting fearsome creatures into the classroom showing how they work to create compelling narratives and provide students a framework for analyzing history culture and everyday life Essays explore ways of using the monstrous to teach literature film philosophy theater art history religion foreign language and other subjects Some sample syllabi assignments and class materials are provided
