Hey, Miss! You Got a Book for Me? Joanna F. Chambers, 1981. This annotated bibliography, now in its second edition, describes a model resource collection of over 350 book and audiovisual titles for a multicultural setting. While its emphasis is on Spanish language and cultural groups, a number of dual language items have been included for speakers of Chinese, French, Greek and Vietnamese. In addition to its thorough annotations, the listing provides information on the language level, interest level, binding and copyright status of each title. Dewey classifications are suggested as an aid to librarians. Author, subject and publisher/distributor indexes provide multiple access to the items and complete ordering information is included. This updated model multicultural collection reflects site evaluation by children, teachers, librarians and parents and includes over 200 new titles available for the library or classroom.
