HELL

Monster From Green Hell

Harris M. Lentz

Monster From Green Hell:

Creatures from Green Hell Endre Bohem, Louis Vittes, 1958 **Paul Blaisdell, Monster Maker** Randy Palmer, 1997-01-01 Paul Blaisdell was the man behind the monsters in such movies as *The She Creature* *Invasion of the Saucer Men* *Not of This Earth* *It Terror from Beyond Space* and many others Working in primarily low budget films Blaisdell was forced to rely on greasepaint guts and most importantly an unbounded imagination for his creations From his inauspicious beginning through *The Ghost of Dragstrip Hollow* 1959 the construction of Blaisdell's monsters and the making of the movies in which they appeared are fully detailed here Blaisdell's work in the early monster magazines of the 1960s is also covered

Apocalypse Then Mike Bogue, 2017-08-11 The United States the only country to have dropped the bomb and Japan the only one to have suffered its devastation understandably portray the nuclear threat differently on film American science fiction movies of the 1950s and 1960s generally proclaim that it is possible to put the nuclear genie back in the bottle Japanese films of the same period assert that once freed the nuclear genie can never again be imprisoned This book examines genre films from the two countries released between 1951 and 1967 including *Godzilla* 1954 *The Mysterians* 1957 *The Incredible Shrinking Man* 1957 *On the Beach* 1959 *The Last War* 1961 and *Dr Strangelove* 1964 to show the view from both sides of the Pacific

Keep Watching the Skies! Bill Warren, 2009-11-30 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in softcover format ISBN 978 1 4766 6618 1

Cheap Tricks and Class Acts John "J.J." Johnson, 2009-02-13 In the 1950s Hollywood unleashed a wave of monsters everything from demon aliens and dinosaurs to blobs and bloated bugs infested theaters and drive ins Lost worlds were discovered unnatural terrors shook the screen gigantism ran rampant Moviegoers were left with one question How did they do that This work uncovers the cheap and challenging behind the scenes production secrets of the fantastic films of the 1950s Special technical effects visual effects menacing makeup stunts fantastic sets and film locations are all covered in detail along with the many men and women who shared in these occasionally brilliant and usually outrageous efforts Also included is a lengthy checklist of the prominent makeup stunt prop and effects artists of the era with a listing of their fantastic film credits

"Twice the Thrills! Twice the Chills!" Bryan Senn, 2019-02-28 In the mid 1950s to combat declining theater attendance film distributors began releasing pre packaged genre double bills including many horror and science fiction double features Though many of these films were low budget and low end others such as *Invasion of the Body Snatchers* *Horror of Dracula* and *The Fly* became bona fide classics

Beginning with Universal International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra* 147 officially sanctioned horror and sci fi double bills were released over a 20 year period This book presents these double features year by year and includes production details historical notes and critical commentary for each film *Coming Soon* Keith M. Johnston, 2009-09-12 The audience's first exposure to a new movie is often in the form of a coming attraction trailer and short previews are also a vanguard for emerging technology and visual techniques This book demonstrates how the trailer has educated audiences in new film technologies such as synchronized sound widescreen and 3 D tracing the trailer's status as a trailblazer on to new media screens and outlets such as television the Internet and the iPod The impact and use of new technologies and the evolution of trailers beyond the big screen is followed into the digital era **Cult Science Fiction Films** Welch D. Everman, 1995 A celebration of 75 of the weirdest and wildest science fiction films which have attracted cult followings By defining the sci fi film as the realm of the not yet the book's selected movies deal in interplanetary travel androids and futuristic medical techniques *Ghouls, Gimmicks, and Gold* Kevin Heffernan, 2004-03-25 The history of horror films and the horror film industry in the 1950s and 1960s Video Movie Guide 1990 Mick Martin, Marsha Porter, 1989-10-14 **Video Movie Guide, 1988** Mick Martin, Marsha Porter, 1987 *Cue*, 1958 *Social Responses to Technological Change* Augustin Brannigan, Sheldon Goldenberg, 1985-11-14 **Science Fiction, Horror & Fantasy Film and Television Credits: Section 3: Film index; Section 4: Television index** Harris M. Lentz, 1983 Who's who of the Horrors and Other Fantasy Films David Hogan, 1981 **Catalogue of Stills, Posters, and Designs** National Film Archive (Great Britain), 1982 Time Out Film Guide John Pym, 1997 Now in its fifth edition the popular Time Out Film Guide updated annually covers more than 11 000 films from every area of world cinema Better international coverage and honest lively criticism make this one of the most comprehensive film guides anywhere New for this edition are awards listings for the Berlin Venice and Cannes film festivals as well as Oscar winners since 1927 Line drawings Showmen's Motion Picture Trade Review, 1956 Feature Films James L. Limbacher, 1985 Time Out Film Guide Tom Milne, 1993 Authoritative criticism covering every area of world cinema classic silents and thirties comedies documentaries and the avant garde French or Japanese cinema as well as the Hollywood mainstream and the latest megaproductions and B movie horrors Assessments of well over 10 000 movies including full details of director cast alternative titles and release date for each film
