
Dante e Montale: la voce, l'allegoria, la trascendenza

Pierpaolo Antonello

In qualsiasi storia letteraria italiana i nomi di Dante e Montale compaiono, temporalmente polarizzati, come i cardini di una tensione e di una tradizione poetiche che forse non hanno eguali nella cultura Europea. Non c'è letteratura che sia stata così marcata da un lato da un poeta fondatore tanto esuberante e costrittivo, e dall'altro da una tradizione che, forse anche per questa sua origine, è rimasta sostanzialmente lirica e ha dato il meglio di sé sotto il segno di questa costellazione.¹ Ed è forse per questo che la voce del fiorentino continua ancora a risuonare intertestualmente nei poeti di ogni generazione, e ancor di più nel Novecento e in particolare nel suo poeta che maggiormente lo rappresenta, Eugenio Montale, per i motivi che cercheremo di illustrare in questo nostro contributo, soprattutto raccogliendo le voci critiche che meglio hanno saputo illuminare il rapporto in questione.

Per sua stessa natura e definizione la parola poetica è una parola che si auto-fonda e si auto-costituisce nell'atto stesso del suo prodursi e rinnovarsi. Una parola che pretende e impone di essere riconquistata ad ogni atto di scrittura. Soprattutto quella parola poetica contemporanea (in tutte le possibili nuove scuole o avanguardie) che vuole programmaticamente porsi sempre come forza che oltrepassa la tradizione e la rinnova e che non può avere e credere poeta più moderno di Dante. A ragione, infatti, Contini distingue fra la linea "sperimentale" (dantesca) delle nostre lettere e la linea "formale" (o petrarchesca), quasi a sottolineare che nella tradizione italiana non c'è poeta che più di lui abbia fatto i conti con l'innovazione di un linguaggio e di una lingua, con la creazione quasi *ex-nihilo* della propria lingua. Non c'è poi poeta tradizionalmente più *engagé* dal punto di vista politico, animato da "una totale spregiudicatezza verso il reale" (Contini 363) e da una costante sovversione nel pensiero e nei canoni, pur rimanendo nel quadro di una struttura cosmologica e filosofica tradizionale.

Sulla contemporaneità di Dante e sulla sua ennesima riscoperta e studio, Montale rileva nel suo famoso intervento del 1965 (dove Maria Corti si rammarica sia fallita la convergenza di racconto di Eliot e Montale) (Corti 55), che "se Dante è patrimonio universale [...] la sua voce oggi possa giungere a tutti come mai forse avvenne in altri tempi e come forse non sarà più possibile

Montale Dante

KJ Lindholm-Leary

Montale Dante:

Montale and Dante Arshi Pipa, 1968-12-11 **Dante's Craft** Glauco Cambon, 1969 Dante's Craft was first published in 1969 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In a series of nine essays Professor Cambon discusses Dante's language and style and the influence of his poetry on later writers The first section a group of six essays is devoted to the critical studies of Dante's own work A second section consists of chapters devoted to Dante's influence on the eighteenth century Italian philosopher Giambattista Vico on certain American writers chiefly Herman Melville Nathaniel Hawthorne Ezra Pound and T S Eliot and on the contemporary Italian poet Eugenio Montale The pertinence of Dante today is emphasized by Professor Cambon in his introduction to the volume He writes Dante's viability for modern literature springs from the depth and latitude of his own probing into the tangled darkness and light of human existence and as some of the essays here collected attempt to show I have come to believe that Dante can give invaluable clues to the reader of contemporary poetry whether in its expression of derangement in a new Dark Wood or in its rare glimpses of felicity and wholeness Metamorphosing Dante Fabio Camilletti, Manuele Gragnolati, Fabian Lampart, 2010-12-01 After almost seven centuries Dante endures and even seems to haunt the present Metamorphosing Dante explores what so many authors artists and thinkers from varied backgrounds have found in Dante's oeuvre and the ways in which they have engaged with it through rewritings dialogues and transpositions By establishing trans disciplinary routes the volume shows that along with a corpus of multiple linguistic and narrative structures characters and stories Dante has provided a field of tensions in which to mirror and investigate one's own time Authors explored include Samuel Beckett Walter Benjamin Andr Gide Derek Jarman LeRoi Jones Amiri Baraka James Joyce Wolfgang Koeppen Jacques Lacan Thomas Mann James Merrill Eugenio Montale Pier Paolo Pasolini Cesare Pavese Giorgio Pressburger Robert Rauschenberg Vittorio Sereni Virginia Woolf *Dante's New Life of the Book* Martin Eisner, 2021-03-18 Dante's Vita nuova has taken on a wide variety of different forms since its first publication in 1294 How could one work have generated such different physical forms Through examining the work's transformations in manuscripts printed books translations and adaptations Eisner reconceives of the relationship between the work and its reception Dante's New Life of the Book investigates how these different material manifestations participate in the work drawing attention to its distinctive elements Dante framed his book as an attempt to understand his own experiences through the experimental form of the book and later scribes editors and translators use different material forms to embody their interpretations of Dante's collection of thirty one poems surrounded by prose narrative and commentary Traveling from Boccaccio's Florence to contemporary Hollywood with stops in Emerson's Cambridge Rossetti's London Nerval's Paris Mandelstam's Russia De Campos's Brazil and Pamuk's Istanbul this study builds on extensive archival research to show how Dante's strange poetic forms including incomplete canzoni and sonnets with two beginnings continue

to challenge readers Each chapter focuses on how one of these distinctive features has been treated over time offering new perspectives on topics such as Dante's love of Beatrice his relationship with Guido Cavalcanti and his attraction to another woman Numerous illustrations show the entanglement of the work's poetic form and its material survival Eisner provides a fresh reading of Dante's innovations demonstrating the value of this philological analysis of the work's survival in the world

Echoes of Opera in Modern Italian Poetry Mattia Acetoso, 2020-06-24 Twentieth century Italian poetry is haunted by countless ghosts and shadows from opera *Echoes of Opera in Modern Italian Poetry* reveals their presence and sheds light on their role in shaping that great poetic tradition This is the first work in English to analyze the influence of opera on modern Italian poetry uncovering a fundamental but neglected relationship between the two art forms A group of Italian poets from Gabriele D'Annunzio to Giorgio Caproni by way of Umberto Saba and Eugenio Montale made opera a cornerstone of their artistic craft More than an occasional stylistic influence opera is rather analyzed as a fundamental facet of these poets' intellectual quest to overcome the expressive limitations of lyrical poetry This book reframes modern Italian poetry in a truly interdisciplinary perspective broadening our understanding of its prominence within the humanities in the twentieth century and beyond

Metaphor in Dante David Gibbons, 2026-02-02 The heart of the book is an analysis of metaphor in the *Paradiso* but the volume also reaches back to Dante's earliest lyrics and concludes with a look forward to Petrarch's use of this important device

Eugenio Montale's Poetry Glauco Cambon, 2014-07-14 Glauco Cambon draws on twenty five years of commitment to Montale's poetry and prose for this extended critical analysis Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Expression of the Inexpressible in Eugenio Montale's Poetry Clodagh J. Brook, 2002 It is impossible to say just what I mean Prufrock's frustration in Eliot's celebrated poem underlines the pessimistic view of language at the heart of much Modernist poetry Locating the greatest Italian poet of the twentieth century Eugenio Montale firmly within European Modernism this book examines the struggle with language that is central to his work What can a poet do when words fail him Does he put down his pen retreat into silence Does he seek instead to push language towards its limits and if so what tools can he employ What part does metaphor the *via negativa* allusive or understated writing have in this process These are just some of the issues that Clodagh J. Brook seeks to address In its unravelling of the inexpressibility paradox her book offers a new reading of Montale's early verse and reveals how in articles and metapoetic comments Montale gives us insights into both his poetics and the whole process of expression

Montale and Dante Arshi Pipa, *Dante Studies, with the Annual Report of the Dante Society* Dante Society of America, 1998 *Montale's Mestiere*

Vile George Talbot,1995 This book examines Montale s uncommissioned translations from English during a period in which translation was widely seen as a way often in covert protest against fascism to break out of a narrow and ossified literary tradition Montale s own work is seen as an appropriation of a foreign Anglo American tradition in the interests of exploring new poetic possibilities in Italian **Minnesota Monographs in the Humanities** ,1968 **Montale: Poems** Eugenio Montale,2020-04-07 A beautiful hardcover Pocket Poets selection of the works of Nobel Prize winning Italian poet Eugenio Montale one of the giants of twentieth century poetry Eugenio Montale 1896 1981 is not only Italy s greatest modern poet but a towering figure in twentieth century literature His incandescently beautiful body of work is deeply rooted in the venerable lyric tradition that began with Dante but he brilliantly reinvents that tradition for our time probing the depths of love death faith and philosophy in the bracing light of modern history Dynamic innovation and a coiled fierce energy fuel the poet s quest for liberation from the self Marked by musicality and rhythmic variety Montale s poems manage to be buoyant with allusion and metaphor while also densely studded with things with concrete elemental images that keep his complex and restless musings firmly tethered to the world Montale s reputation is international and enduring his widely translated work has profoundly influenced generations of poets around the world This volume contains selections from all his greatest works rendered into English by the accomplished poet and translator Jonathan Galassi It serves as both an essential introduction to an important poet and a true pleasure for lovers of contemporary *Canadian journal of Italian studies* ,1985 Lectura Dantis ,1992 The Divine Comedy Dante Alighieri,Peter Armour,1995-08 The Divine Comedy translated by Allen Mandelbaum begins in a shadowed forest on Good Friday in the year 1300 It proceeds on a journey that in its intense recreation of the depths and the heights of human experience has become the key with which Western civilization has sought to unlock the mystery of its own identity Mandelbaum s astonishingly Dantean translation which captures so much of the life of the original renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets This Everyman s edition containing in one volume all three cantos Inferno Purgatorio and Paradiso includes an introduction by Nobel Prize winning poet Eugenio Montale a chronology notes and a bibliography Also included are forty two drawings selected from Botticelli s marvelous late fifteenth century series of illustrations Book Jacket Status Jacketed **Poetry and Intertextuality** John Butcher,2007 **PN Review** ,1979 *Genius* Harold Bloom,2002 In this text Harold Bloom dares to define genius He ranges across 2500 years from the 5th century BC through to the year 2002 and touches on all the principal cultures both east and west **Halflife** Charles Wright,1988

Montale Dante Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has been apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. Montale Dante Introduction

In today's digital age, the availability of Montale Dante books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Montale Dante books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Montale Dante books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Montale Dante versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Montale Dante books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Montale Dante books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Montale Dante books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Montale Dante books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Montale Dante books and manuals for download and embark on your journey of knowledge?

FAQs About Montale Dante Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
