possible I purposely have written this guide to be a little more casual and fun than what you expect from most iPhone manuals. The iPhone is a fun gadget and any guide you read should be an equally fun read. Each chapter starts with bullet points on what will be covered so if something you already know you can skip right ahead. If you only need to know how to use new features, the book is also formatted in a way that these stand out. Are you ready to start enjoying your new iPhone? Then let's get started.
