Long Term Care of the Elderly Charlene Harrington,Robert J. Newcomer,Carroll L. Estes,1985 This book is both an introduction to the existing literature on long term care issues and an empirical assessment of policies in the USA to date Its focus is primarily on state policies and the broad discretion of states in the implementation of health income and social service programmes that represent the essential basis of long term care for the elderly It will help to provide a greater understanding of current public policies and their potential impact on the aged thus providing a foundation for reassessing the federal role in long term care service systems      *Healthy Mothers, Healthy Babies* ,1990      **Illinois Issues** ,2008
