has become one of the most popular careers sought after by many today. Most practicing therapists are employed by hospitals, clinics, sports facilities, and smaller private companies that are everywhere. In addition, many massage therapists work independently as either business contractors or in private homes. No matter where you live, there will always be demand for your services, and thus several options near you that offer these jobs. Whether you are just now starting your career in the massage field or want to grow your existing career, this book's goal is to help you meet your objectives. In the next few chapters, you will find information about the requirements you need to become a massage therapist, information on massage therapy schools, online schooling options, jobs, salaries, career growth, and more. There is an extremely high demand for massage therapists. With increased population growth, awareness, health consciousness, and active lifestyles, the United States Bureau of Labor Statistics (BLS) expects massage therapist jobs to grow another 20-30% in the next couple years. Because of the growing demand for massage therapists, many are becoming more interested in this professional career. Unfortunately, most do not know what the requirements are, how to get into the field, and how to thrive in a profession that is saturated with so many other therapists. Similarly, many others who are already practicing as massage therapists do not know about the options to advance their careers through either additional training, the appropriate networking opportunities, diversification, specialization, and more. All the best to you and here's to your career success!
